[The “Great Zero Carbon” Conspiracy and the WEF’s “Great Reset”](#)

By [F. William Engdahl](#), July 23, 2022

The globalist Davos World Economic Forum is proclaiming the necessity of reaching a worldwide goal of “net zero carbon” by 2050. This for most sounds far in the future and hence largely ignored. Yet transformations underway from Germany to the USA, to countless other economies, are setting the stage for creation of what in the 1970’s was called the New International Economic Order.

[Farms Not Factories: Global Chaos Is Part of the Plan](#)

By [Farms Not Factories](#), July 24, 2022

[James Strawbridge](#), TV chef, Cornish food connoisseur, and sustainable living expert, sources his pork from high welfare farms like [Coombe Farm Organic](#). Their pigs are stress free as they roam outdoors and so never need antibiotics, unlike pigs in factory farms that have to be routinely dosed with antibiotics to survive the unhealthy overcrowded conditions.

[Who Owns Facebook?](#)

By [Emanuel Pastreich](#), July 24, 2022

Facebook has set out to sell us the big lie and many of us are happy to accept that lie in part because it is too terrifying to recognize the manner in which our personal lives and our every action has been taken over by ruthless multinational corporations.

[Pandemic Creates New Billionaire Every 30 Hours — Now a Million People Could Fall Into Extreme Poverty at Same Rate in 2022](#)

By [Peter Koenig](#) and [Kla TV](#), July 23, 2022

This personal QR code is then spread out over or used further via an app on your cell phone. And this app is of course connected to a control center, we can't do anything there, the phones, these mobile phones, they're all already set up in such a way that they can be accessed from anywhere, even if you turn off the GPS, they know exactly that it's there accompanied us, even without GPS - that's quite clear. Then you would have to throw it away or leave it at home.

[The Restoration of Indigenous Rights and the Fall of the Colonial Hand](#)

By [Michael Welch](#), July 23, 2022

The age of great exploration and conquest began in the fifteenth century. This is when the first peoples living in the territories of Africa and Asia and of North and South America were approached by European explorers. The prospect of profit and pillage from the new resources of a foreign land finds itself at odds with respecting the dignity of the people who lived there originally.
