[Millions of Electric Cars Are Coming. What Happens to All the Dead Batteries?](#)

By [Ian Morse](#), May 24, 2021

The battery pack of a Tesla Model S is a feat of intricate engineering. Thousands of cylindrical cells with components sourced from around the world transform lithium and electrons into enough energy to propel the car hundreds of kilometers, again and again, without tailpipe emissions.

[The 2020-21 Worldwide Corona Crisis: Destroying Civil Society, Engineered Economic Depression, Global Coup d’État and the “Great Reset”](#)

By [Prof Michel Chossudovsky](#), May 24, 2021

Each of the ten chapters provides factual information as well as analysis on the following topics: What Is Covid-19, what is SARS-CoV-2, how Is it identified, how is it estimated? The timeline and historical evolution of the Corona Crisis, the devastating economic and financial impacts, the enrichment of a social minority of billionaires, how the lockdown policies trigger unemployment and mass poverty Worldwide, the devastating impacts on mental health.

[America’s Public Health System Is Utterly Corrupt](#)

By [Dr. Paul Craig Roberts](#), May 24, 2021

Try to find an American institution that is not corrupt. Even when presented with the Covid threat the US public health system could not rise above the greed for profit. Effective cures, such as HCQ and Ivermectin were demonized and in many states prohibited. Most Covid deaths are the result of non-treatment.

[How the CDC Is Manipulating Data to Prop-up “Vaccine Effectiveness”](#)

By [Kit Knightly](#), May 24, 2021

The US Center for Disease Control (CDC) is altering its practices of data logging and testing for “Covid19” in order to make it seem the experimental gene-therapy “vaccines” are effective at preventing the alleged disease. They made no secret of this, announcing the policy changes on their website in late April/early May, (though naturally without admitting the fairly obvious motivation behind the change).

[The People of Palestine Have Been Terrorized](#)

By [Yasser Abed](#) and [Chris Jones](#), May 24, 2021

On Samos this led to the refugees from Gaza working closely with Sofiane from *Open Doors* to raise money and to get it through to Gaza without delay. In less than a day money was raised and sent and used to provide food parcels for those with nothing. No NGOs or the like, just ordinary people using their networks and local knowledge to get help to where it is most needed.

[Weapons of War on Our Streets: The Militarization of America’s Police](#)

By [Sam Jacobs](#), May 24, 2021

The claim often heard from those attempting to pass more gun control legislation is that all they’re trying to do is get the “weapons of war off our streets,” but it’s simply untrue that “weapons of war” are available to the general public. You’d last about three minutes in a conventional war with an AR-15, even with one of the most aggressive builds you can get your hands on ([that doesn’t mean it’s impossible for guerilla uprisings to defeat powerful enemies](#)).

[History: The Inherent Irony in the Palestinian-Israeli Struggle](#)

By [Courtenay Barnett](#), May 24, 2021

The word ‘irony’ sums up much that is probably inherent in human nature and manifest at times in human history, when one considers the on-going conflict between the Palestinians and Israel. Historical pogroms had been launched against Jews – ‘pogroms’ used in the widest sense of its meaning as violent attack, expulsion, or marginalisations – then the history is a long one.

[COVID-19 and the PCR Test — No Pandemic, Only Junk Data!](#)

By [Gavin Phillips](#), May 24, 2021

Governments around the world have enforced unprecedented restrictions on people's lives, imposing lockdowns that closed down most of society for months at a time. Stopping people from visiting their family, isolating the elderly in care homes and destroying millions of people's livelihoods. These draconian laws were brought in to control an alleged pandemic created by a new virus called SARS-CoV-2 that creates the respiratory illness of Covid 19.

[Time to End the Silence on Israel's Nuclear Weapons](#)

By [Mehrnaz Shahabi](#), May 24, 2021

The attack on Natanz nuclear enrichment plant in Iran, on April 11, targeting underground centrifuges operating under (IAEA) safeguards, was an act of nuclear terror with the potential to kill and harm many thousands of human beings and irreparably contaminate the environment. Although Israel has not confirmed or denied responsibility, the media have almost universally [attributed the attack to Israel](#), citing [senior American and Israeli intelligence officials](#) confirming Israel's involvement.

[Interpretation and Investigation: The Conspiracy Theory Trap](#)

By [Emanuel Pastreich](#), May 24, 2021

The creation of events that will promote irreconcilable interpretations in different interpretive communities has become a cottage industry for the rich and powerful. The radically divergent tales concerning mass shootings and attacks on minorities does wonders to exacerbate rifts between groups in the United States who might otherwise find common ground. These deep fissures in the basic assumptions about events render cooperation between these groups impossible.

[Bombshell: Nobel Prize Winner Reveals – COVID Vaccine Is 'Creating Variants'](#)

By [Renee Nal](#), May 24, 2021

As reported at [RAIR](#) in April of last year, Prof. Montagnier presented a powerful case that the coronavirus was created in a lab. His comments at the time offended the left-wing establishment so much that they aggressively attempted to [discredit](#) his statement. Now, the media is [backpedaling](#) on the origin of the coronavirus after prominent scientists called for further scrutiny.

[COVID Vaccines May Bring Avalanche of Neurological Disease](#)

By [Dr. Joseph Mercola](#), May 24, 2021

Five months into the vaccination campaign, statistics tell a frightening story. Seneff cites research showing deaths are 14.6 times more frequent during the first 14 days after the first COVID injection among people over the age of 60, compared to those who aren't vaccinated. That is extraordinary. You can [read the full paper here](#).
