### [Human Microchip Implants and the “Internet of Bodies” \(IoB\)](#)

By [Dr. Joseph Mercola](#), April 19, 2022

Implantable microchips are marketed as the ultimate in convenience, but the goal is to create the Internet of Bodies (IoB), described by the World Economic Forum (WEF) as an ecosystem of “an unprecedented number of sensors,” including emotional sensors, “attached to, implanted within, or ingested into human bodies to monitor, analyze and even modify human bodies and behavior.”

### [Jackboots Policing: No-Knock Raids Rip a Hole in the Fourth Amendment](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), April 20, 2022

Brace yourself, because this hair-raising, heart-pounding, jarring account of a no-knock, no-announce SWAT team raid is what passes for court-sanctioned policing in America today, and it could happen to any one of us.

### [Video: America’s Nuclear Weapons: “Our Strategy to Preserve Peace...”](#)

By [Prof Michel Chossudovsky](#) and [Caroline Mailloux](#), April 20, 2022

At no point since the first atomic bomb was dropped on Hiroshima on August 6th, 1945, has humanity been closer to the unthinkable. All the safeguards of the Cold War era, which categorized the nuclear bomb as “a weapon of last resort”, have been scrapped.

### [The Lies...and the Eyes...of Ukraine. Reporting from Lviv](#)

By [Brett Redmayne-Titley](#), April 19, 2022

The realities of *this* war, as I expected before arriving two weeks ago, have been slowly found on the faces, in the voices and deep in the penetrating eyes of those affected by it. These are the innocents, mostly, those who have a tale to tell and parse no words in telling it.

### [Dangerous Crossroads: NATO's 'Weapons for Peace' Program Conducive to Escalation of Ukraine War](#)

By [Nauman Sadiq](#), April 19, 2022

Karen DeYoung reported for the [Washington Post](#) Thursday that Russia sent a formal diplomatic note to the United States on Tuesday, accusing Washington and its NATO clients of insidiously subverting the peace process with Ukraine initiated at the Istanbul talks on March 29, and the subsequent withdrawal of Russian forces from the outskirts of Kyiv, Chernihiv and Sumy, thus ending the month-long offensive in Ukraine.

### [COVID Persists, but the COVID Vaccine Mandate "Does Not Prevent The Spread"](#)

By [Dr. Meryl Nass](#), April 19, 2022

There has been so much bad news about the vaccines in the last few months, it even leaked into the mainstream media. I think the cabal's plan, at least in the US but probably everywhere, is to stop propping the ludicrous vaccine claims up and allow them to die a natural death. I explain why below.

### [Joys of Western Democracy: American Victory and Loss of Political Sovereignty in Pakistan](#)

By [Dr. Ejaz Akram](#), April 19, 2022

After committing the shameful atrocities of direct colonization against the non-West, the West felt it was necessary to invent methods of indirect colonization. Other than institutional

controls, they would incarcerate and assassinate many of the non-Western leaders who disobeyed the West.

### [Thinking Harder About False Flags and Other Fables](#)

By [Philip Giraldi](#), April 19, 2022

In my own experience as a CIA operations officer, I once “developed” a relationship with a Libyan intelligence officer using the false identity of an Italian businessman. The Libyan was amenable to an information sharing relationship with an Italian to line his own pockets, but would have balked at the treasonous implications of having a connection with an American.

### [The Hidden Truth Behind War with Russia](#)

By [Martin Armstrong](#), April 19, 2022

The plot behind Ukraine is far deeper than anyone is willing to talk about publically. Yanukovich was corrupt and his sons were acting like a protection racket. Yanukovich was keen on joining the EU but the treaty had a clause in there that would have put Ukraine in NATO through the backdoor.
