By [Mike Adams](#), February 28, 2023

The toxic cloud event that’s dropping extremely toxic dioxins across a large area of residential housing and farmland was deliberately generated by the open burning of vinyl chloride, creating combustion byproducts of dioxins which are many orders of magnitude more toxic and dangerous than the original substance.

## [A Nanny State Idiocracy: When the Government Thinks It Knows Best](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), February 28, 2023

The government's bureaucratic attempts at muscle-flexing by way of overregulation and overcriminalization have reached such outrageous limits that federal and state governments now require on penalty of a fine that individuals apply for permission before they can grow exotic orchids, host elaborate dinner parties, gather friends in one's home for Bible studies, give coffee to the homeless, let their kids manage a lemonade stand, keep chickens as pets, or braid someone's hair, as ludicrous as that may seem.

## [By Rejecting China's Peace Plan West Pushes Beijing Closer to Russia](#)

By [Lucas Leiroz de Almeida](#), February 28, 2023

On the first anniversary of the Russian special military operation in Ukraine, China presented a peace plan, aimed at re-establishing diplomacy and bilateral negotiations. Consisting of twelve points, the proposal reflects the stance of neutrality of the Chinese government, which has refused to support anti-Russian resolutions at the UN, maintaining a strong direct dialogue with Moscow which allows it to develop more realistic proposals, unlike the Western unilateral demands of Russia's retreat.
