[Pfizer Secretly Added Heart Attack Drug Tromethamine \(Tris\) to Children's COVID Vaccines ... But Why?](#)

By [Ethan Huff](#), November 11, 2021

The Food and Drug Administration (FDA) Advisory Committee that [voted 17-0](#) to approve the jabs for children as young as five was notified that the children's formulation of the drug contains tromethamine (Tris), a chemical that reduces blood acidity and stabilizes people who have suffered a heart attack.

[Vaccinated People Are Dying of All Causes 6-1 Over Unvaccinated](#)

By [Dr. Paul Craig Roberts](#), November 11, 2021

The last 7 Public Health England / UK Health Security Agency 'Vaccine Surveillance' report figures on Covid-19 cases show that double vaccinated 40-79 year-olds have now lost 50% of their immune system capability and are consistently losing a further 5% every week (between 3.9% and 8.8%).

[Video: Legal Action Is Happening. Have Hope Because We Are Going to Win this.](#)

By [Anna De Buisseret](#), November 11, 2021

UK lawyer and military veteran Anna De Buisseret urges us to have hope, "because we are going to win this." Even in times of war, she explains, "you don't get to experiment on Prisoners Of War." And that is what our governments are currently doing by imposing experimental jabs and myriad "COVID measures" on domestic populations.

[A “Deadly Attack” on the Capitol?](#)

By [Jacob G. Hornberger](#), November 11, 2021

One of the fascinating aspects of the “attack” on the Capitol is that the “attackers” didn’t have guns. In fact, as far as I know, they didn’t even have any swords. To me, that’s one unusual “attack.” In fact, I’ll bet that there haven’t been many other “attacks” in history in which the “attackers” failed to use weapons to commit their “attack.”

[Today’s Scientism is “Medical Tyranny” and Political Regimentation: Faux Science Dictates CDC COVID Directives](#)

By [Renee Parsons](#), November 11, 2021

The mandatory COVID lockdown and vaccine requirements are sold to the public as legitimate scientism perpetuated by a longtime government health [institution](#) once considered an [independent watchdog](#). Instead, the CDC has a long history of offering politically inspired evidence as a facsimile for real science where the dilemma may rarely be settled.

[China’s Concept of Development: Its Vision on “Common Prosperity”](#)

By [Peter Koenig](#), November 11, 2021

What always impresses me about the Chinese concept of development is the vision for sharing – the intent of sharing wealth and prosperity. It fits typically the concept of Socialism with Chinese characteristics. This Chinese Vision on Common Prosperity is no different.

[Afghanistan: Between Pipelines and ISIS-K, the Americans Are Still in Play](#)

By [Pepe Escobar](#), November 11, 2021

Taliban interim-Foreign Minister Amir Khan Muttaqi and Turkmen Foreign Minister Rashid Meredov got together to discuss a range of political and economic issues. Most importantly, they resurrected the legendary soap opera which in the early 2000s I dubbed [Pipelineistan](#): the Turkmenistan-Afghanistan-Pakistan-India (TAPI) gas pipeline.

[American Actor William Hurt: “It Took Me a Long Time to Face What I Knew to be True About 9/11”](#)

By [William Hurt](#), November 11, 2021

It relieves me immensely to have given my name and my artistic advice as an executive producer of the new film [The Unspeakable](#). I also deeply respect the definitive film [SEVEN](#) about the “other” building so few know of that also, somehow, fell neatly, “smack straight into its own socks” that day. An impossibility in any way but one.
