[PfizerGate: Tragic Truth Behind COVID Vaccines in the U.K.: 47,379 Excess Deaths in 8 Months Due to Vaccination](#)

By [The Expose](#), January 02, 2023

As the death toll rises, a dark shadow has been cast over Britain. Official data reveals that since April 2022, 407,910 deaths have occurred, with 47,379 excess deaths against the 2015-2019 five-year average.

[Ukraine General Zaluzhny: "God Himself" Is on the Side of the Neo-Nazi Ultranationalists](#)

By [Kurt Nimmo](#), January 02, 2023

In other words, God is a neo-Nazi, an ultranationalist with a visceral, violent hatred of everything Russian (and Polish, Roma, and Jewish). Before dismissing the above headline as hyperbole, consider the following: Vitalii Zaluzhny's adviser is Dmytro Yarosh, the commander of Right Sector's Ukrainian Volunteer Corps.

[African-American Diaspora Engagement at the Core of US-African Relations in Multipolar World](#)

By [Kester Kenn Klomegah](#), January 04, 2023

The U.S.-Africa Leaders Summit held in Washington has placed African-American diaspora at the core for strengthening multifaceted relations with Africa. The White House and African leaders have stressed the importance of Africa's voices, advocated for incorporating Africans distinctively within the institutional structures to deal with various bilateral issues and for making further inroads into Africa.

[Video: Is the Chinese Communist Party a Threat? Emanuel Pastreich](#)

By [Emanuel Pastreich](#), January 03, 2023

It has become common practice in the alternative media, especially those parts of the alternative media that identify themselves with the term “conservative”, to provide detail and often quite accurate data about the manner in which COVID-19 vaccines are employed to kill off the population, and to offer new insights into the enormous frauds, engineered by the corporate elites, using the names of the United Nations and the World Health Organization. But the ultimate responsibility for those actions is attributed by these blogs and reporters to the Chinese Communist Party (CCP) and to the People’s Republic of China (PRC).

[Liberty for Julian Assange](#)

By [Barbara Nimri Aziz](#), January 03, 2023

WikiLeaks founder Julian Assange’s vindication seems — maybe, perhaps, imaginably — achievable. It’s enough for me to publish my singular New Year resolution — not a wish, but a firm resolution — to more actively contribute to growing pressure to free Julian Assange, the mistreated, vilified and imprisoned, brave and brilliant founder of WikiLeaks.

[Putin Now Has a Likely Successor: Medvedev?](#)

By [Eric Zuesse](#), January 03, 2023

Medvedev has [just been promoted to a new and permanent position in Russia as the head of Russia’s military-industrial complex](#), which (unlike America’s MIC that [controls the U.S. Government](#)) is majority-owned by the Russian Government and is therefore the most critically important part of the national-security side of the Government.

[COVID Jabs Have Erased 25 Years of Health Gains. Shocking Decline in US Life Expectancy](#)

By [Dr. Joseph Mercola](#), January 03, 2023

In August 2022, provisional life expectancy estimates for 2021 were released, showing Americans had lost nearly three years of life expectancy during 2020 and 2021. In December 2022, the finalized mortality report confirmed these shocking data.

[A Gloomy 2023? Here Are Some Bright Spots](#)

By [Rep. Ron Paul](#), January 03, 2023

The prospects for peace, justice, and the advancement of liberty in 2023 may at first seem further away than ever. Washington's determination to overthrow the Russian government via a proxy war in Ukraine has brought the threat of nuclear war closer than ever in history.

[The 10 Most Influential Figures in the History of Oil](#)

By [Josh Owens](#), January 03, 2023

Oil has been the single most influential resource in modern history, driving industrialization, building nations, and deciding the outcome of wars. It has been responsible for raising millions of people out of poverty and for razing entire cities to the ground. From technological advancements to environmental disasters, few, if any, industries have left as large a mark on the earth.

[The Big Hoax – From Climate Change to Biodiversity](#)

By [Peter Koenig](#), January 02, 2023

It is amazing that a majority of people of our beloved Mother Earth still haven't noticed that we are living in an ever-growing tyranny since the beginning of 2020. A dictatorship that has been planned for many decades, if not longer. And it started around the globe, in all 193 UN member countries (194 WHO members) at midnight of December 31, 2019.
