

Selected Articles: Poison Gas – Weapon of Choice for “False News”

By [Global Research News](#)

Global Research, April 12, 2018

Global Research is a small team that believes in the power of information and analysis to bring about far-reaching societal change including a world without war.

Truth in media is a powerful instrument. As long as we keep probing, asking questions, challenging media disinformation to find real understanding, then we are in a better position to participate in creating a better world in which truth and accountability trump greed and corruption.

[Poison Gas – Weapon of Choice for “False News”](#)

By [Peter Koenig](#), April 12, 2018

The recent fake gas attack on Douma outside of Damascus, has allegedly killed 80 to 120 people, mostly women and children. Of course, that sells best in the propaganda theatre – women and children. But there is not proof, none whatsoever.

[False Flag in Syria Sets Stage for Wider War](#)

By [Tony Cartalucci](#), April 12, 2018

The US rush to conflict attempts to sidestep any meaningful investigation into the attack, fitting a larger pattern of Washington and its allies using baseless chemical weapon allegations for wars of aggression stretching back to the invasion of Iraq in 2003.

[Trigger-Happy Trump and Syria: “The Worst Case Scenario Is Now Our Reality.”](#)

By [Felicity Arbuthnot](#), April 12, 2018

The discredited White Helmets – a “rescue” group only operating in areas held by “rebels” who routinely decapitate, including children, set fire to people and commit numerous unspeakable acts – have produced a video of an apparent chemical attack on 7th April.

[The Most Important U.N. Security Council Vote Ever? Alleged Syria Chemical Weapons Attack and US-NATO Plans to Invade Syria](#)

By [Eric Zuesse](#), April 12, 2018

On Tuesday, April 10th, the U.S. and France were [sending missiles, ships, planes and soldiers for an invasion of Syria](#), which is defended by Russia; and two alternative draft proposals were presented to the U.N. Security Council for authorizing an expert investigation to be done into the alleged April 7th chemical attack in Douma in Syria, which alleged event the U.S. and France allege to be the justification for their planned invasion.

[US Government Backs Dangerous New Genetic Manipulation of Plants and Animals](#)

By [F. William Engdahl](#), April 12, 2018

The Trump Administration is backing a new technology for the genetic manipulation of plants and even animals with no intent to supervise or regulate against possible dangers. If left unchecked, it could open a Pandora’s Box of dangers to human health for generations.

[Yulia Skripal Is Plainly Incommunicado and Under Duress](#)

By [Craig Murray](#), April 12, 2018

Only the Russians have allowed us to hear the actual voice of Yulia Skripal, in that recorded conversation with her cousin. So the one thing we know for certain is that, at the very first opportunity she had, she called back to her cousin in Russia to let her know what is going on. If you can recall, until the Russians released that phone call, the British authorities were still telling lies that Sergei was in a coma and Yulia herself in a serious condition.
