[Post COVID mRNA Vaccination: Immune System Dysfunction, Neuropathic Symptoms](#)

By [Dr. William Makis](#), February 15, 2023

Why does Eric Clapton's story matter? He may have been injured by two doses of the AstraZeneca COVID-19 vaccine, but this is not just an "AstraZeneca issue". This is a spike protein issue – regardless of the platform that delivers the spike protein into your body (Pfizer, Moderna, J&J, AstraZeneca, Novavax, Sputnik, Covishield).

[African American Resistance in the Rural South](#)

By [Abayomi Azikiwe](#), February 16, 2023

During the most disastrous post-Civil War period of African American historical development in the rural South and other regions of the United States, there were heroic efforts to reverse the process of re-enslavement which utilized brute force, super-exploitation and the passage of reactionary legislation often referred to as the Black Codes.

[Irresponsible Politics: Australia's B-52 Nuclear Weapons Problem](#)

By [Dr. Binoy Kampmark](#), February 16, 2023

It is not farfetched to make the point that delivery systems capable of deploying nuclear weapons will lead to them carrying those very same weapons. Whatever the promises made by governments that such delivery systems will not carry such loads, stifling secrecy over such arrangements can only stir doubt.

[“African Unity” and the Failure of Regional Integration, Current Geopolitical Changes](#)

By [Kester Kenn Klomegah](#), February 16, 2023

In this long-ranging and insightful interview conducted by our media executive Kester Kenn Klomegah with Dr Mohamed Chtatou, a senior professor of Middle Eastern politics at the International University of Rabat (IUR) and Mohammed V University in Rabat, Morocco, focuses largely on accelerating, advancing and sustaining decades-old dream of Africa’s unity.

[Video: Klaus Schwab Calls for Global Government to “Master” AI Technologies](#)

By [Steve Watson](#), February 16, 2023

Arch globalist Klaus Schwab has called for elites to come together globally in order to “master” advanced technologies, warning them that if they don’t act swiftly the world could “escape our power”.

[Chemical Desolation in Appalachia](#)

By [Jarod Facundo](#), February 16, 2023

In the village of East Palestine, on a late Friday evening, a Norfolk Southern freight train derailed on the Ohio side of the Pennsylvania border, causing tanker cars to rupture and catch fire, releasing thousands of tons of hazardous chemical compounds into the surrounding land and atmosphere.

[Biden to Syrian Earthquake Victims: Drop Dead](#)

By [Jeremy Kuzmarov](#), February 16, 2023

Team Biden was much more muted with regards to Syria, [stating that](#) “U.S.-supported humanitarian partners are also responding to the destruction in Syria.” These comments made clear the Biden administration’s refusal to work with the Syrian government, which has been the target of a U.S. regime-change policy since the early 2000s.

[We Need a Huge Rage Against the War Machine. Mass Antiwar Movement](#)

By [Rick Sterling](#), February 16, 2023

We urgently need to spark a mass mobilization antiwar movement in North America. There have been good antiwar demonstrations in recent months, but they have been very limited. We need to rapidly expand tenfold. The Rage Against the War Machine initiative, which is organized by a diverse group of anti-war forces, could do just that. The [demands](#) and overall speaker list are very good.

[Musk Says He Restricted Ukraine's Use of Starlink to Avoid World War III](#)

By [Ahmed Adel](#), February 16, 2023

Eccentric billionaire Elon Musk promised to prevent Ukraine's use of the Starlink network from escalating the conflict. The SpaceX, Twitter and Tesla owner initially supported Ukraine with the satellite internet constellation system, however, he finally limited support despite receiving a lot of criticism in the West.

[Is the U.S. Biden Administration Behind the Blowing Up of the Nord Stream 1 and 2 Pipelines Between Russia and Western Europe?](#)

By [Prof Rodrigue Tremblay](#), February 16, 2023

On Monday, September 26, 2022, the day of Rosh Hashanah (which literally means "beginning of the year" in Hebrew*), U.S. President Joe Biden is alleged to have ordered the destruction of the undersea gas pipelines Nord Stream 1 and 2, linking Russia and Germany. (N.B. The pipeline Nord Stream 1 went into operation in 2012, whereas Nord Stream 2 was completed in 2021, but has never gone into operation.)
