[Criminal Propaganda of Omission. The West and its Terrorist Proxies do not Seek Peace in Syria](#)

By [Mark Taliano](#), March 03, 2018

[Syria's New Srebrenica in the Making](#)

By [Stephen Karganovic](#), March 03, 2018

Does the comical gullibility of the Western public have any bounds? Disregarding all the previous false alarms and thoroughly debunked psyop false flag operations designed to pin genocidal misconduct on the Syrian government of President Bashar al-Asad in order to produce a rationale for full scale intervention in Syria, the Western propaganda machine is now being reactivated, hoping to finally score where previously it had failed miserably.

In view of the Russian capabilities, it is not clear that the US any longer qualifies as a superpower.

[No Matter What the Western Propaganda Says, Chinese Democracy Is Alive and Well!](#)

By [Andre Vltchek](#), March 03, 2018

New huge wave of 'China bashing' is once again rolling from Europe and North America. Its water is filthy and murky. It tries to smear everything about the present Chinese system: from its own and unique democratic model, to its leadership, as well as the political, economic and social system.
