[Short List of USAID Subversion Operations](#)

By [Kurt Nimmo](#), March 12, 2023

The first thing to know: the agency is run out of the State Department. Its public relations cover is to provide “international development.” This is code for fomenting regime change and undermining elected governments not on-script with the neoliberal agenda.

[China's Global Security Initiative \(GSI\): Beijing has Mediated the Resumption of Iran-Saudi Arabia Ties](#)

By [Andrew Korybko](#), March 12, 2023

This remarkable development removes one of the most destabilizing factors in regional security for decades, the Iranian-Saudi rivalry, which was exploited by the US to divide-and-rule West Asia.

[The Existential Crisis of Meaning and Human Significance Resulting from Global Capitalism and Corporatocracy](#)

By [Prof. Henry Francis B. Espiritu](#), March 12, 2023

Marxian concepts such as “commodification”, “objectification”, “alienation”, “vanity consumption” and “consumerism” are helpful paradigms in unlocking the present existential crisis of meaning and of human significance as experienced by workers worldwide and are beneficial conceptual frameworks in elucidating the psychological, mental, emotive, and existential burdens that laborers and workers face and experience in living their respective careers in the midst of capitalist hegemonic globalism.

[EU-Russia's “Unforgettable Divorce”](#)

By [Kester Kenn Klomegah](#), March 12, 2023

With the current geopolitical developments and the new processes of re-configuration, seriously affecting the landscape of economic cooperation, the basic question many researchers and observers are monitoring is to understand why Russia after the Soviet collapse aspired to transform into an European country. Russia wanted to develop and extend Europe down to the Pacific.

[Corporatism Will Kill Us All](#)

By [Rodney Atkinson](#), March 12, 2023

One of the chief characteristics of an anti democratic corporatist society is the way parliament and people become the servant of business. Large construction, transport, pharmaceutical or military projects are driven not by Government implementing a democratically expressed need but often by corporations creating “needs” – and the plans, systems and budgets to implement them.

[1.2 Million French Workers Strike Again](#)

By [Abayomi Azikiwe](#), March 12, 2023

For several months, unions and students in France have engaged in periodic general strikes and mass demonstrations in protest against a pension reform plan advanced by President Emmanuel Macron.

[Will Regime Change Now Come to Riyadh?](#)

By [Gavin O'Reilly](#), March 12, 2023

[A Hard-Edged Rock: Waging Economic Warfare on Humanity](#)

By [Colin Todhunter](#), March 12, 2023

Why is much modern food of inferior quality? Why is health suffering and smallholder farmers [who feed most of the world](#) being forced out of agriculture? Mainly because of the mindset of the likes of Larry Fink of BlackRock – the world's biggest asset management firm – and the economic system they profit from and promote.

[The Ghost of Hugo Grotius: The UN High Seas Treaty](#)

By [Dr. Binoy Kampmark](#), March 12, 2023

Debates about the sea have rarely lost their sting. The Dutch legal scholar Hugo Grotius, in his 1609 work *Mare Liberum* (The Free Sea), laboured over such concepts as freedom of navigation and trade (*commeandi commercandique libertas*), terms that have come to mean as much assertions of power as affirmations of international legal relations.
