Joe recalled how he had to ask a teacher for help opening his locker because he physically couldn't get this hand turn the lock. But Joe shrugged it off and went about his day. Then he started having problems walking during recess later that day. Joe said he would try to walk, but his leg wouldn't move.

[US Maternal Death Rates Up Sharply](#)

By [Dr. Peter McCullough](#), April 13, 2023

Modern obstetrical care in the US has had a major impact in reducing maternal death rates over several decades. Now there is reversal of these trends. From the start of the pandemic there have been reports with mixed results for mortality among pregnant women with COVID-19 infection and after COVID-19 vaccination.

[History: Greater Serbia. A Western-backed Myth](#)

By [Dr. Vladislav B. Sotirović](#), April 12, 2023

Much space, time, and effort have been devoted to the recent history of West Balkans, and in particular in the latest political upheavals, about the alleged project of Greater Serbia especially by Western authors either academic scholars or journalists. The issue must be, however, considered together with its counterparts from Croatia (a Greater Croatia) and Albania (a Greater Albania).

[Will It Never Stop? From Forever War to Eternal War](#)

By [Karen J. Greenberg](#), April 12, 2023

"It is time," President Biden [announced](#) in April 2021, "to end the forever war" that started with the invasion of Afghanistan soon after the tragic terror attacks on this country on September 11, 2001. Indeed, that August, amid chaos and disaster, the president did finally pull the last remaining U.S. forces out of that country.

By [Mark Curtis](#), April 12, 2023

Four members of the Kosovo Liberation Army (KLA) are being tried at The Hague for war crimes during the 1999 conflict over Kosovo. In that war, the KLA was seen by the UK as terrorists but was covertly and overtly supported by the Labour government.

[Every 11th Has Its 13th: Time to Dismantle Monroe Doctrine Politics](#)

By [Michelle Ellner](#), April 12, 2023

On April 11, 2002, there was an attempted coup against President Hugo Chavez's democratically elected government in Venezuela. Chavez had prioritized programs to improve living conditions for those who were previously unrepresented, and established an independent foreign policy in favor of the nation's interests.

[Universities and the AUKUS Military-Industrial Complex](#)

By [Dr. Binoy Kampmark](#), April 12, 2023

The AUKUS distraction could not have come at a better time. The tertiary sector in Australia is becoming increasingly cadaverous, marked by cost-cutting, rampant casualisation and heavy teaching and workloads for those battling away in the pedagogical trenches.
