[Voices of the Syrian People](#)

By [Andre Vltchek](#), April 16, 2018

Three countries with zero moral mandate to judge or punish anybody; three countries, already responsible for hundreds of millions of human lives lost on all continents for centuries, showered Syria with their missiles.

[Independent Swiss Lab Says 'BZ Toxin' Used in Skripal Poisoning; US/UK-Produced, Not Russian](#)

By [Zero Hedge](#), April 16, 2018

Spiez lab, the substance used on Sergei Skripal was an agent called BZ, which was never produced in Russia, but was in service in the US, UK, and other NATO states.

[US-UK-France Strike on Syria, The Chain of Events: Statements, Facts and Speculations](#)

By [South Front](#), April 16, 2018

Early on April 14, the US, the UK and France delivered a massive missile strike on Syria using warships, fighter jets and strategic bombers. US Defense Secretary Jim Mattis

described the strikes as “harder” than the 2017 strikes on Shayrat military airfield. However, he added that no further launches had been planned for the moment.

[Syria’s Victory – The Failed Attack by War Criminals Trump, May and Macron](#)

By [Peter Koenig](#), April 16, 2018

Trump and his brother’s in crime, May and Macron, have miserably lost, and by their aggression on a mutilated country, they have strengthened the Syrian people and their allegiance to their President. Of course, none of this you are going to read in the mainstream presstitute.

[War on Syria: Disappeared Miseries. The Tentacles of This War of Aggression](#)

By [Mark Taliano](#), April 16, 2018

The war on Syria has exacted a tremendous toll on all aspects of life in Syria. The bullets and bombs kill, but so do the hidden tentacles of this War of Aggression.

[Is Trump’s Broader War against Syria on Hold? A Member State of NATO is “Sleeping with the Enemy”: America is at War with both Syria and Turkey](#)

By [Prof Michel Chossudovsky](#), April 15, 2018

Washington also knew that they could not initiate at this juncture a major military campaign against Syria largely due to divisions within the Atlantic Alliance and the fact that a NATO member State, namely Turkey had become an ally of Russia and was fighting US proxy Kurdish rebel forces (integrated by French, British and US Special Forces) in Northern Syria.
