[War, Terrorism and the Global Economic Crisis in 2015: Ninety-nine Interrelated Concepts](#)

By [Prof Michel Chossudovsky](#), December 25 2015

Everything is interrelated: war, terrorism, the police state, the global economy, financial fraud, corrupt governments, poverty and social inequality, media disinformation, war propaganda, WMD, international law,

[Why World War III is on the Horizon](#)

By [Dr. Paul Craig Roberts](#), December 28 2015

The collapse of the Soviet Union in 1991 gave birth to a dangerous American ideology called neoconservatism. The Soviet Union had served as a constraint on US unilateral action. With the removal of this constraint on Washington, neoconservatives declared their agenda of US world hegemony. America was now the “sole superpower,” the “unipower,” that could act without restraint anywhere in the world.

[The “Dirty Work” of the International Monetary Fund, Lays the Groundwork for Worldwide Financial Conquest](#)

By [Prof. James Petras](#), December 28 2015

The IMF assumes the burden of doing all the dirty work through its intervention. This includes the usurpation of sovereignty, the demand for privatization and reduction of social expenditures, salaries, wages and pensions, as well as ensuring the priority of debt payments. The IMF acts as the ‘blind’ for the big banks by deflecting political critics and social unrest.
