Online independent analysis of US-led wars, rampant corruption, corporate greed, civil rights and fraudulent monetary transactions is invariably relegated to the bottom rung of search engine results.

As a result we presently do not cover our monthly running costs which could eventually jeopardize our activities.

[Video: Israel Delivers More Strikes on Syria](#)

By [South Front](#), March 06, 2019

Late on March 3, battle tanks of the Israeli Defense Forces (IDF) shelled positions of the Syrian Arab Army (SAA) near Qars Nafal and Jubata al-Khashab in the province of Quneitra. Local sources said that the Israeli attack did not inflict casualties and revealed that these SAA positions remain empty most of the time.

[Eight Venezuela Lies the US Government and the Mainstream Media Want You to Believe](#)

By [Makia Freeman](#), March 06, 2019

The US claims many nations and groups support its efforts to topple Maduro and install Guaido. In reality, these countries are basically vassal states or other nations controlled by

the US that don't want to upset the apple cart. Notice the strategy of the US: try to co-opt the United Nations HRC (Human Right Council) into following US coup efforts, and try to strong-arm groups like the OAS (Organization of American States) and the Lima Group into betraying their brother nation Venezuela.

[Washington's Escalation to Venezuela's Oil](#)

By [Nino Pagliccia](#), March 06, 2019

A realistic successful military intervention can only take place if the Venezuelan high-ranking officers of the armed forces deserted in mass. This is not likely to happen. However, Venezuela cannot ignore those threats. The US has carried them out irresponsibly in other countries.

[Will 5G Cell Phone Technology Lead to Population Reduction as Large Numbers of Men Become Sterile?](#)

By [Michael Snyder](#), March 06, 2019

What's further disturbing about 5G radiation is how the human body responds to and processes it. Dr. Ben-Ishai from [The Hebrew University of Jerusalem](#) discovered as part of a recent investigation that human skin acts as a type of receptor for 5G radiation, drawing it in like an antenna.

[The Recolonization of Latin America and the War on Venezuela](#)

By [Prof. James Petras](#), March 06, 2019

US colonization of Latin America was based on direct US military, economic, cultural and political interventions with special emphasis on Central America, North America (Mexico) and the Caribbean. Washington resorted to military invasions, to impose favorite trade and investment advantages and appointed and trained local military forces to uphold colonial rule and to ensure submission to US regional and global supremacy.

[Trump Breaks Another Promise: Troops Will Remain in Syria](#)

By [Kurt Nimmo](#), March 06, 2019

This illegality, this violation of international law and the UN Charter (the US signed this document in 1945 with the founding of the UN), represents a cornerstone of US foreign

policy. The US has invaded 70 nations, engaged in genocide, economic warfare, and has fomented terror since the founding of the nation.

[City of London: The Shocking Study No Mainstream Media Outlet Dared to Publish](#)

By [Robert Woodward](#), March 06, 2019

Each year, the banking and financial services industry in the City of London is [sucking out of Britain's economy](#) the equivalent of 160 per cent of total government spending on all health care including the NHS, or 100 per cent on social protection, which includes that of all pension payments per year, or 700 per cent spent on public order and safety or 230 per cent of spending on education.
