

Selected Articles: Trump Plays Nuclear ‘Chicken’ with Putin Over Syria

By [Global Research News](#)

Global Research, June 28, 2017

Global Research strives for peace, and we have but one mandate: to share timely, independent and vital information to readers across the globe. We act as a global platform to let the voices of dissent, protest, and expert witnesses and academics be heard and disseminated internationally.

We need to stand together to continuously question politics, false statements, and the suppression of independent thought.

Stronger together: [your donations are crucial](#) to independent, comprehensive news reporting in the ongoing battle against media disinformation. ([click image above to donate](#))

[Hersh: Trump Ignored Intel Before Bombing Syria](#)

By [Seymour M. Hersh](#) and [The Real News Network](#), June 28, 2017

In this article is the full transcript of the interview with Seymour Hersh on his report about the western allegations on Syria.

[Trump Plays Nuclear ‘Chicken’ with Putin Over Syria](#)

By [Eric Zuesse](#), June 28, 2017

U.S. President Donald Trump is playing a game of nuclear “chicken” with Russian President Vladimir Putin, regarding Putin’s threat on June 19th to go to war against the United States if the U.S. again shoots down, inside Syria — in the sovereign territory of the internationally-recognized-as-legal sovereign Syrian government — Syrian aircraft, or the aircraft of any of the foreign governments that have allied with Syria: Russia, Iran, and China.

[Hersh’s New Syria Revelations Buried From View](#)

By [Jonathan Cook](#), June 28, 2017

According to US intelligence, Hersh reports, the Syrian air force was able to target the site using a large, conventional bomb supplied by the Russians. But if Assad did not use a chemical warhead, why did many people apparently die at Khan Sheikhoun from inhalation of toxic gas?

[After Getting Busted for Bombing Syria Based on a Lie, Trump Doubles Down ... Threatens to Bomb Syria Even Harder for the Same Bogus Reason](#)

By [Washington’s Blog](#), June 28, 2017

Trump said the Syrian government carried out a chemical weapons attack on civilians. But [U.S. military and intelligence officials say](#) that they told Trump there was no evidence for that claim ... and they say that what *really* happened is that Syria bombed Islamic terrorists, and that accidentally released chemicals being stored by the *terrorists*.

[Protecting the Terrorists: US-led Coalition’s ‘Very Dangerous Game’ of Sparing Al-Nusra in Syria – Lavrov](#)

By [RT News](#), June 28, 2017

Russian FM Sergey Lavrov has accused the US-led anti-terrorist coalition of being reluctant to bomb positions of the former Al-Nusra Front in Syria, and has urged them to ditch “double standards” for the sake of an “uncompromising” fight against terrorism.
