[US-Dollar Dominance vs. China's Yuan as an International Trading Currency](#)

By [Peter Koenig](#) and [Global Times](#), November 18, 2022

For Chinese people, the past decade has been epic and inspirational. The country, under the leadership of the Communist Party of China (CPC) Central Committee with Comrade Xi Jinping at the core, has made great endeavors in boosting its economy, deepening reforms, improving the rights of its people and acting as a responsible global power.

[From the History of Global Politics and International Relations: The Clausewitzian Viewpoint of War](#)

By [Dr. Vladislav B. Sotirović](#), November 18, 2022

In dealing from both theoretical and practical points of view about war, at least six fundamental questions arise: 1) What is war?; 2) What types of war exist?; 3) Why do wars occur?; 4) What is the connection between war and justice?; 5) The question of war crimes?; and 6) Is it possible to replace war with the so-called "perpetual peace"?

[Wars Tend to Bury Facts: The Polish Missile Narrative](#)

By [Dr. Binoy Kampmark](#), November 18, 2022

Wars tend to bury facts. What comes out of them is often a furiously untidy mix of accounts that, when considered later, constitute wisps of fantasy and presumption. Rarely accepted in the heat of battle is the concept of mistake: that a weapon was wrongly discharged or errantly hit an unintended target; a deployment that went awry; or that the general was drunk when an order was given.

[Terrifying Vision of a “Digital Gulag”: G20 Promotes WHO-Standardized Global Vaccine Passport and ‘Digital Health’ Identity Scheme](#)

By [Tom Ozimek](#), November 18, 2022

Leaders of the Group of 20 ([G20](#)) have issued a joint declaration promoting a global standard on proof of vaccination for international travel and calling for the establishment of “global digital health networks” that build on existing digital COVID-19 vaccine passport schemes.

[Regime Change in Iran: Gulf of Oman False Flag, Following the 2019 Script?](#)

By [Gavin O'Reilly](#), November 18, 2022

The November 16, 2022 afternoon attack on the Pacific Zircon, a tanker in the Gulf of Oman, owned by Israeli billionaire Idan Ofer, comes amidst a time of increased tensions in the region, with both Israel and the United States immediately placing the blame on Iran.

[48,817 Dead and 5,107,883 Injured Following COVID-19 Vaccines in European Database of Adverse Reactions](#)

By [Brian Shilhavy](#), November 18, 2022

Sudden deaths and injuries continue to be reported all across Europe and around the world, and more and more European politicians are beginning to speak out about how deadly the COVID-19 vaccines are.

[1 in 5 Young Adults Dies from Excessive Alcohol Consumption. Alcohol Intake Skyrocketed During Pandemic](#)

By [Dr. Joseph Mercola](#), November 18, 2022

Deaths attributed to excessive alcohol consumption in the U.S. are trending upward. Between 2015 and 2019, 1 in 5 deaths (20.3%) in the 20- to 49-year age group was related to excessive alcohol intake. The percentage of men dying from excess alcohol consumption (15%) was higher than that of women (9.4%), but both are on the rise.

[The Rockefeller Way: The Family’s Covert ‘Climate Change’ Plan](#)

By [The Energy & Environmental Legal Institute](#), November 18, 2022

The Rockefellers are arguably the wealthiest and most powerful family in the history of the United States. For more than 100 years, they have shaped and directed America's economic, financial, political, and public policy while simultaneously amassing one of the largest family empires in the modern era.

[Governor DeSantis, Ban the COVID mRNA Jab!](#)

By [Dr. Joseph Sansone](#), November 17, 2022

You must act decisively and prohibit Covid gene therapy shots and mRNA injections in the state of Florida. The [clinical data](#) from February 28th of 2021 appear to have demonstrated that Covid shots were both, ineffective at stopping transmission, while at the same time posing a risk to those receiving Covid shots and those around them.

[The War in Ukraine, Geopolitical Forecast. The Kremlin's "Indecision" "The War Will Continue to Widen": Dr. Paul Craig Roberts](#)

By [Dr. Paul Craig Roberts](#) and [GEOFOR](#), November 17, 2022

The future prospects depend entirely on the Kremlin. The situation in Ukraine can radically change if the Kremlin realizes it is at war and not involved in a limited operation and makes the decision to win the war. So far the Kremlin maintains, despite extensive US and NATO involvement, that Russia is conducting a limited military operation to protect Donbass Russians from being slaughtered by Ukrainian neo-Nazis.
