[US-NATO Largest War Exercise Against Russia. “It Will Also be Nuclear”. Italy on the Front Line. Manlio Dinucci](#)

By [Manlio Dinucci](#), January 30, 2024

US Army General Christopher Cavoli, Supreme Allied Commander in Europe, announced that the largest NATO exercise in decades, Steadfast Defender 2024, will occur in Europe from the end of January to the end of May. 90,000 soldiers from the 31 NATO countries will participate and are about to join NATO Sweden.

[Biden’s New Strategy for Ukraine: “De-emphasizes” The Retaking “Lost Territories”](#)

By [Ahmed Adel](#), January 30, 2024

US media reported that Washington is creating a new strategy for Ukraine that will deemphasise retaking territory it lost to Russian forces, a silent acknowledgment that the Ukrainian military does not have the capabilities to launch attacks, let alone reach Crimea, as Kiev regime figures boasted before the failure of last year’s counteroffensive.

[Mahatma Gandhi’s Message of Peace with Justice and Inter-Faith Harmony Is Most Needed Now](#)

By [Bharat Dogra](#), January 30, 2024

In a world so deeply distressed by alarming incidence of gender violence, domestic violence, workplace violence, street violence, etc., better understanding and appreciation of the importance of non-violence implies a reduction not just in actual acts of violence but also conscious efforts to reduce anger, jealousy, greed, aggressive competitiveness and other tendencies which are associated with violence in daily life.

[Conventional Detergent: Political Science as an Ideological Laundromat](#)

By [Dr. T. P. Wilkinson](#), January 30, 2024

Political science as practiced in the academy and those tank manufacturer-funded institutions who collude in the articulation of public policy cannot call attention to the obvious. This is especially true of the so-called “realists”. What makes them so offensive is their obfuscation combined with moralizing verbosity. Yet the “realist” scholar or school is admired by all young and old (we have not yet heard of “trans-aged”).

[Scientists Call for Global Moratorium on COVID mRNA Vaccines, Immediate Removal from Childhood Schedule](#)

By [Dr. Brenda Baletti](#), January 30, 2024

Governments should endorse a global moratorium on mRNA vaccines until all questions about their safety have been thoroughly investigated, according to the authors of a new, [peer-reviewed article](#) on the COVID-19 vaccine trials and the global vaccination campaign published last week in [Cureus](#), Journal of Medical Science.

[UNRWA Funding Cuts Threaten Palestinian Lives in Gaza and Region, Say NGOs](#)

By [Norwegian Refugee Council](#), January 30, 2024

The suspension of funding by donor states will impact life-saving assistance for over two million civilians, over half of whom are children, who rely on UNRWA aid in Gaza. The population faces starvation, looming famine and an outbreak of disease under Israel’s continued indiscriminate bombardment and deliberate deprivation of aid in Gaza.

[Nuremberg for Israel: Criminals in Charge of the State of Israel](#)

By [Karsten Riise](#), January 30, 2024

It is already abundantly clear that Israel is adamant to ignore the demands of the ICJ and carry through with its genocide until its horrific end. Instead of reversing course, key forces in Israel celebrate their drive for genocide against the Palestinians and their objective of an Israeli colonization of Gaza.

[Tigray Was Literally Destroyed by the U.S., Says Former Ethiopian Diplomat](#)

By [Jeremy Kuzmarov](#), January 30, 2024

Mohamed Hassan is a former Ethiopian diplomat who was involved in protests in the early 1990s with future Ethiopian President Meles Zenawi to secure greater rights for Ethiopia's Muslim population. Hassan told an [international tribunal on U.S. imperialism](#) that the U.S. government is responsible for the destruction of Tigray, an Ethiopian province, after the Tigray People's Liberation Front (TPLF) launched an insurgency in November 2020 against the Ethiopian government.

[Sick to Death: Unhealthy Food and Failed Technologies](#)

By [Colin Todhunter](#), January 29, 2024

The world is experiencing a micronutrient food and health crisis. Micronutrient deficiency now affects billions of people. Micronutrients are key vitamins and minerals and deficiencies can cause severe health conditions. They are important for various functions, including blood clotting, brain development, the immune system, energy production and bone health, and play a critical role in disease prevention.

[Freezing Aid to Gaza: Israel's International War Against the UNRWA](#)

By [Dr. Binoy Kampmark](#), January 29, 2024

Within hours, nine states had added their names to the list suspending allocated aid. Australia, along with the United States and Canada, rushed to the podium to condemn UNRWA and freeze funding. The United Kingdom, Germany, Italy, the Netherlands, Switzerland, and Finland followed.
