Global Research, July 17, 2017

Global Research strives for peace, and we have but one mandate: to share timely, independent and vital information to readers across the globe. We act as a global platform to let the voices of dissent, protest, and expert witnesses and academics be heard and disseminated internationally.

We need to stand together to continuously question politics, false statements, and the suppression of independent thought.

By [Steven MacMillan](#), July 17, 2017

[An Agenda For NATO: Toward a Global Security Web](#) unprecedented risks to global security,” with “extremist religious and political movements” among these risks, movements that he himself helped to empower through advocating giving the Mujahideen US aid.

[The US Deep State: Sabotaging Putin-Trump Ceasefire Agreement in Syria](#)

By [Federico Pieraccini](#), July 17, 2017

From the Russian point of view, any military sabotage would once again lay American intentions bare, regardless of Trump’s subsequent moves. However, one thing that is certain is that in the case of sabotage, Trump will be faced with having to make a definitive choice. Either he will surrender to the deep state, returning the situation back to a state of hyper-conflict with a nuclear superpower; or he will confront and overcome the deep state, thereby enabling him to implement his electoral promises.
