[Nature of the COVID Era Public Health Disaster in the USA: From All-cause Mortality and Socio-geo-economic and Climatic Data](#)

By [Dr. Denis G. Rancourt](#), [Dr. Marine Baudin](#), and [Dr. Jérémie Mercier](#), October 26, 2021

We investigate why the USA, unlike Canada and Western European countries, has a sustained exceedingly large mortality in the “COVID-era” occurring from March 2020 to present (October 2021). All-cause mortality by time is the most reliable data for detecting true catastrophic events causing death, and for gauging the population-level impact of any surge in deaths from any cause.

[The Covid-19 Timeline. No Evidence of a “Pandemic”](#)

By [Prof Michel Chossudovsky](#), October 26, 2021

September 19, 2019: The ID-2020 Alliance. Establishing a Vaccine Digital Passport. GAVI held their Summit in New York, entitled “Rising to the Good ID Challenge”. The focus was on the establishment under the auspices of GAVI (Alliance for Vaccine Identity) of a vaccine with an embedded digital passport. The stated objective was the creation of a [global digital data base](#).

[Video: The Vaccine is More Dangerous than COVID-19: Dr. Peter McCullough](#)

By [Dr. Peter McCullough](#) and [Michael Welch](#), October 26, 2021

They produce a lethal spike protein in insensitive organs like the brain or the heart or elsewhere. The spike protein damages blood vessels, damages organs, causes blood clots. So it's well within the mechanism of action that the vaccine could be fatal. Someone could have a fatal blood clot.

[Fully Vaccinated Are Suffering Far Higher Rates of Infection than the Unvaccinated, and It Is Getting Worse](#)

By [Brian Shilhavy](#), October 26, 2021

10 months into the COVID-19 mass vaccination campaigns in the UK, statistics provided by the UK's Health Security Agency now clearly show that those who have been fully vaccinated are suffering far worse health and are susceptible to infections at greater rates than the unvaccinated.

[Governor de Santis Says that If People Are Forced by Their Employer to be Vaccinated, and Then Become Ill, the Employer Will be Liable for Damages](#)

By [Dr. Meryl Nass](#), October 26, 2021

Well, a lot of negative information is now known, but it isn't being provided on the "Fact Sheets". And people are not being given the right to refuse. Furthermore, as the Governor points out, employees are not being issued religious and medical waivers, as required by federal law.

[Tiffany Dover. Two Dead Students. A Nurse Quits. Is Tennessee Eventually Waking Up?](#)

By [John Goss](#), October 26, 2021

Suddenly there has been an re-awakening in the case of "Pfizer-vaccinated" nurse, Tiffany Dover, who was recorded as having died following the injection. Her place of employment, CHI Memorial Hospital, Tennessee, deny that she is dead and told me in a [short email](#): "We have made several statements. Tiffany is alive and continues her work as a nurse manager."

[Canadian Public Health Report Reflects Increased Heart Condition Side Effects for 12-17 Year Old Males as Vaccination Rates Increase](#)

By [Sundance](#), October 26, 2021

Many academic institutions and athletic organizations are requiring vaccinations as a condition of participation. This puts increased pressure on teens and young adults to take the vaccine despite any concerns of side effects. Many parents are also willing and eager to face the risks.

[Pressure to Dissolve the UN Security Council: Putin Warns of League of Nations Revival.](#)

[What Are the Implications?](#)

By [Matthew Ehret-Kump](#), October 26, 2021

As walls separating east and west along Manichean Cold War lines of “democratic/free” vs “authoritarian/enslaved” are quickly being erected before our eyes, it is worth pondering not only the deeper implication of the Russian president’s message but also those healthier pathways out of the coming storm before it is too late.

[Billions of Euros to “Innovate” the Nuclear NATO](#)

By [Manlio Dinucci](#), October 26, 2021

NATO has ended up in the attic,” wrote the political commentators of several newspapers a month ago, after France had withdrawn its ambassador from Washington on September 16.

[What Next after Sudan Changes Guards at the Crossroad?](#)

By [Kester Kenn Klomegah](#), October 26, 2021

As reported October 25 by the reputable state media, [Al Arabiya](#), Sudanese army and a cross-section of its population have returned, expressing dissatisfaction about the government. What is really at stake all these years is closely linked to the level of development and the living standard of the majority among the estimated 45 million population.
