### [Viciousness Regnant: Humanitarianism as a Weasel Word](#)

By [Dr. Binoy Kampmark](#), November 08, 2023

### [Stop Drinking the “Political Kool-Aid”, America: Voting Will Not Save Us](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), November 08, 2023

This year's presidential election, much like every other election in recent years, is what historian Daniel Boorstin referred to as a "[pseudo-event](#)": manufactured, contrived, concocted and devoid of any intrinsic value save the value of being advertised. It is the end result of a culture that is moving away from substance toward sensationalism in an era of mass media.

### [Israel Resorts to Nuclear Blackmail in Gaza](#)

In addition to promoting genocide and ethnic cleansing in Gaza, the Zionist regime is resorting to nuclear blackmail against the Palestinians. In a controversial recent statement, an Israeli top official admitted that using atomic bombs in the Gaza Strip is a "possibility" for Tel Aviv. These words shocked the world and showed the level of unpredictability and irrationality in the Israeli government's actions.

### [Why Israel Wants to Erase Context and History in the War on Gaza](#)

By [Ilan Pappé](#), November 08, 2023

There are several historical contexts for what is going on now in Israel-Palestine that cannot be ignored. The wider historical context goes back to the mid-19th century, when evangelical Christianity in the West turned the idea of the "return of the Jews" into a religious millennial imperative and advocated the establishment of a Jewish state in Palestine as part of the steps that would lead to the resurrection of the dead, the return of the Messiah, and the end of time.
