Who runs the world and what are their goals? The Gulf Cooperation Council (GCC) is setup by Reagan in 1981 to counterbalance the nationalist Arabs in the region like Gaddafi, the Iranians, Iraqis, Algerians, etc, and to tip the oil scales in favor of the Western bankers instead of the Arab people who sit on the oil and own the oil.

By [Peter Koenig](#), October 19, 2023

Does the US have a military base in Burkina Faso? According to several international analysts, the United States’s military involvement in Burkina Faso is opaque. However, the Pentagon has a military contingent of about 100 “soldiers” in Burkina. Their role is mainly training Burkinabe’s military, says Major Andrew Caulk, public affairs director for Special Operations Command Africa (SOCAFRICA).

## [U.S. Prepping to Deploy American Troops to Middle East, Israel Demands \\$10 Billion More in Subsidy](#)

By [Ben Bartee](#), October 19, 2023

What a hell of an ally we have in the Middle East there in Israel. Truly indispensable. Its warmonger leadership flirts recklessly with World War III – while relying on the geopolitical power of the United States, mind you, to back up its feigned bravado — while it sucks the American treasury dry to the tune of billions of dollars per year and enlists the government to mobilize troops whenever it snaps its fingers.

## [“Peace, War, and 9/11”: A Cinematic Portrait of Graeme MacQueen, A Warrior for Peace](#)

By [Edward Curtin](#), October 19, 2023

While there are powerful documentaries that focus exclusively on facts and are narrated by omniscient and objective narrators, *Peace, War, and 9/11*, while also based on proven facts, is doubly powerful because it is told by a man whose personal story is a moving example of one who, from a young age, was inspired by a reverence for life and the embrace of non-violence, and whose vocation long preceded his scholarly and anti-war pursuits.

## [We Humans Continue to Indifferently Massacre the Earth and One Another](#)

By [Irwin Jerome](#), October 18, 2023

The Jewish Revolt in the Warsaw Ghetto against the Nazi in 1943, and the Palestinian Revolt in the Gaza Ghetto in 2023 against the Zionists, are virtually two sides of the same coin, the proverbial shoe-on-the-other-foot, that represents the basis and prelude of a very long, slow-burning old fuse, that has only just begun to explode in more calamitous ways than the

world has yet to witness.

### [Can Washington Simultaneously Handle Two War Theaters? Zelensky's Failed Bid to Meet Netanyahu Signals Ending of Western Interest?](#)

By [Ahmed Adel](#), October 18, 2023

Ukraine President Volodymyr Zelensky wanted to visit Israel on October 16 to express his support for the country, but Israeli authorities made it clear to him that “the time is not right,” reported Israeli outlet Ynet. This was a humiliating rejection for Zelensky, a Jew, considering other world leaders are expected to visit the Jewish State in the coming days.

### [Netanyahu and the Banality of Evil](#)

By [Germán Gorraiz López](#), October 18, 2023

It is impossible to germinate in the twenty-first century given the absence on both sides of valid interlocutors to negotiate a lasting peace that implies the mutual recognition of the States of Israel and Palestine. Thus, former President Jimmy Carter, who went down in history when he achieved the historic Camp David agreement between Israel and Egypt in 1979 in his book ‘Palestine, Peace not Apartheid’, denounces the “system of apartheid that Israel applies to the Palestinians.”
