[Video: Dutch Farmers Rise Up Against Food System ‘Reset’](#)

By [Dr. Joseph Mercola](#), July 13, 2022

The Netherlands intends to halve its nitrogen and ammonia pollution by 2030. To reach that goal, the Finance and Agriculture Ministry now wants to reduce the number of livestock by 30%. As a result, many farmers will be driven out of business. As with current energy shortages, the resulting reductions in farming are said to be an “unavoidable” part of the Green Agenda to improve air, soil and water quality.

[Handling International Crises: From JFK to Biden](#)

By [Rick Sterling](#), July 13, 2022

Since Biden appointed the chief architect of the Ukraine coup, Victoria Nuland, to be the third top official at the State Department, one cannot realistically expect a change in policy from this administration.

[Chris Hedges: NATO — The Most Dangerous Military Alliance on the Planet](#)

By [Chris Hedges](#), July 13, 2022

The North Atlantic Treaty Organization (NATO), and the arms industry that depends on it for billions in profits, has become the most aggressive and dangerous military alliance on the planet. Created in 1949 to thwart Soviet expansion into Eastern and Central Europe, it has evolved into a global war machine in Europe, the Middle East, Latin America, Africa and Asia.

[Alert: New York State Sets Dangerous Precedent for Draconian Quarantine Regulations](#)

By [Sara Middleton](#), July 13, 2022

A [sobering precedent](#) is now in force in New York state. Going far and beyond the official guidelines from the U.S. Centers for Disease Control and Prevention – that is, stay home and isolate for 5 to 10 days if you test positive for COVID-19 – the New York governor and those in her corner want to exert an unimaginable level of control over its free citizens.

[Soaring Energy Exports Send Russia's Account Surplus to Record High](#)

By [Julianne Geiger](#), July 13, 2022

Russia's account surplus reached a new record for the second quarter, according to data released by the central bank cited by Bloomberg. The surplus, now more than \$[70 billion](#), comes on the back of surging oil and gas—and other commodities as well—exports, which outweighed the sanctions placed on the country by Western powers.

[Akron, Ohio Declares State of Emergency After the Police Execution of Jayland Walker](#)

By [Abayomi Azikiwe](#), July 13, 2022

Protests have continued in Akron, Ohio after the June 27 police killing of Jayland Walker, 25, who had 90 bullets fired at him by officers, 60 of those rounds struck the victim. After the release of a police video of the shooting of Walker, who was unarmed, people poured into the streets to demand justice for the African American motorist.

[Dismantling the U.S. Constitution: Police No Longer Have to Honor "The Right to Remain Silent"](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), July 13, 2022

Although the Supreme Court stopped short of overturning its 1966 ruling in *Miranda v. Arizona*, the [conservative majority declared that individuals cannot hold police accountable for violating their Fifth Amendment right to remain silent](#).

[Vicarious Zeal: Fighting to the Last Ukrainian](#)

By [Dr. Binoy Kampmark](#), July 13, 2022

On May 1, after travelling to Kyiv, House Speaker Nancy Pelosi raised the colours. "America," she [declared](#) with earnestness, "stands with Ukraine until victory is won." She

made little effort to expound on what this would entail, be it the expulsion of Russian forces from all Ukrainian territory, including Crimea, or the “meat grinder” solution, leaving Kyiv and Moscow to bleed, weakening the latter and strengthening NATO security over a dead generation.

[European Union Finally Admits COVID-19 Vaccines Destroy Your Immune System](#)

By [Arsenio Toledo](#), July 13, 2022

The European Union (EU) has finally admitted that the Wuhan coronavirus (COVID-19) vaccines destroy the immune system and make people more susceptible not just to COVID [but to all diseases](#). According to the European Medicines Agency (EMA), taking booster doses of the COVID-19 vaccines every four months [could weaken the immune system](#) and tire people out.

[Beware the Prophets of Doom – Organic Food, Fertilisers and Fossil Fuels](#)

By [Colin Todhunter](#), July 13, 2022

Much has been written in recent months about supply chain crises stemming from the conflict in Ukraine and the effects on gas and oil. Perhaps up to two thirds of the global population are reliant on nitrogen-based synthetic fertilisers for much of their food. As a result, alarm bells have been ringing over fertiliser and food shortages, which will hit the world's poorest the worst.
