[Russia Uses High Tech Smart Bombs to Wipe Out US Sponsored Al Qaeda Terrorists. Panic in Rebel Ranks](#)

By [Stephen Lendman](#), October 04 2015

The entire free world wants terrorism defeated. Russia leads the effort to confront it head-on. On October 3, [Tass](#) said Russian aircraft conducted over 60 sorties so far, bombing 50 ISIS targets, causing consternation in its ranks. National Defence Control Centre Col. General Andrey Kartapolov said "aircraft have been taking off from the Hmeimim air base (night and day), targeting the whole of Syria."

[The War on ISIS and Russia's Role: The Covert CIA Agenda, Media Deception and Propaganda](#)

By [Dr. T. P. Wilkinson](#), October 04 2015

Ever since Russian President Vladimir Putin addressed the UN General Assembly on 28 September, the spokespersons for the US regime and its propaganda apparatus have tried to present Russia as a nostalgic power seething with envy. Such misrepresentations of current Russian policy and Russian history in the US are not unusual- in fact they have been the rule since 1917. Unlike the US, Russia is not an island whose ignorance and idiocy have been preserved by two oceans separating it from the rest of humanity (except the non-whites and half-whites south of Miami and the Rio Bravo).

[Chaos in Kunduz. Military Setback for US-NATO in Afghanistan](#)

By [Binoy Kampmark](#), October 04 2015

Having the BBC herded along with Afghan government troops in heavily armed convoys as they made their way through Kunduz was hardly comforting for the official account. That account suggested that the government was gaining control of a city that had seen fierce Taliban resistance since their daring invasion on Monday.

[UK Government Acts To Stop Councils Divesting From Israeli Occupation](#)

By [Middle East Monitor](#), October 04 2015

The UK government has said it intends to [change legislation in order to prevent local councils divesting](#) from the arms trade and Israeli human rights abuses. Announcing the plans, a Conservative spokesperson said that “Labour’s Jeremy Corbyn and John McDonnell, alongside Labour-affiliated trade unions, are urging councils to use their procurement and pension policies to punish both Israel and the UK defence industry.”

[“Everyone Is Doing It”: How Carmakers Manipulate Emissions Test Results](#)

By [Tyler Durden](#), October 04 2015

With Germany’s [largest company by revenue](#), Volkswagen, deep in damage recovery mode, and the market still unable to decide just how [systemic](#) and profound the fallout will be from the emissions scandal which has already cost the job of VW’s CEO and which according to some will impact the GDP of Hungary and the Czech republic as much as -1.5%, many are still trying to determine not if but how many other companies – whether “clean diesel” focused or otherwise – will be impacted by the crackdown on emissions fraud.
