[Mainstream Media Disinformation on Syria](#)

By [Inside Syria Media Center](#), February 28, 2018

According to The Guardian journalists, “as many as 150 airstrikes beginning on Sunday were recorded in 18 towns of Idlib province by Monday”. Trying to imagine the number of attacks carried out without interruption for 12 hours we came to the conclusion that Idlib Governorate, in the view of The Guardian, has suffered a saturation bombing. In fact, if these figures were accurate at least eight aircraft would have flown mission and dropped about 60 bombs at every town – [based on](#) an average maximum loading of eight FAB-500 general purpose bombs per one Su-25 jet.

[The Authoritarians Who Silence Syria Questions](#)

By [Jonathan Cook](#), February 28, 2018

Western governments and western corporate media have promoted a common narrative on Syria. It has been difficult for outsiders to be sure of what is going on, given that Syria has long been a closed society, a trend only reinforced by the last seven years of a vicious civil-

cum-proxy war, and the presence of brutal ISIS and al Qaeda militias.

[Video: No Chemical Weapons Used by Assad in Syria? Reality Check.](#)

By [Ben Swann](#), February 28, 2018

Secretary of Defense James Mattis says there is no evidence that the Syrian government used sarin gas on its own people.

It is a narrative we have been pushing back on for years. So what does this mean for U.S. policy in Syria? And will President Trump continue to push for war in Syria, or will he return to the positions of candidate Trump who said the U.S. should stay out of it?

[US Intends Indefinite Illegal Occupation of Syrian and Iraqi Territory](#)

By [Stephen Lendman](#), February 28, 2018

Russia operates in Syria by invitation. So do Hezbollah fighters and Iranian military advisors. US forces are there illegally – waging naked aggression by terror-bombing and support for terrorists, seeking regime change.

[For All Practical Purposes, the American System of Government Is Failing. How and Why?](#)

By [Prof Rodrigue Tremblay](#), February 28, 2018

Observers have noticed, however, that since the 1980's, something big has occurred in the United States: the political system and its processes have fallen into the hands of an unscrupulous money establishment in a way that has left a majority of Americans deprived of the basic services they are entitled to receive from their government.

[Here's How Syrian "Rebels" Manipulate Information From East Ghouta](#)

By [Roberto Vivaldelli](#), February 27, 2018

In the Eastern Ghouta in Syria, a war is fought every day without the exclusion of blows: it is the war of information and propaganda, which is consumed by tweets and photographic material on social networks. Objective: to bring public opinion to its own side, at any cost and by any means.
