Global Research, June 16, 2017

Global Research strives for peace, and we have but one mandate: to share timely, independent and vital information to readers across the globe. We act as a global platform to let the voices of dissent, protest, and expert witnesses and academics be heard and disseminated internationally.

We need to stand together to continuously question politics, false statements, and the suppression of independent thought.

[UN Last Hurdle Before Israel Can Rid Itself of the Palestinians](#)

By [Jonathan Cook](#), June 15, 2017

Israeli and US officials are in the process of jointly pre-empting Donald Trump's supposed "ultimate deal" to end the Israeli-Palestinian conflict. They hope to demote the Palestinian issue to a footnote in international diplomacy.

[America's Forever War Strategy](#)

By [Stephen Lendman](#), June 15, 2017

America is unique among history's warrior states – prioritizing endless wars, not ending them to achieve a new era of peace and stability.

The notion is anathema to the nation's military, industrial, and media establishment. Wars are waged for power and profits, no other reasons.

[Why Are Humans Enemies?](#)

By [Van Robison](#), June 15, 2017

If you are a paid assassin, why are you? Are you so brainwashed that you don't have a mind, heart or conscience of your own, but you are controlled like a zombie or robot? If you murder other human beings in war, why do you do so, because you have been brainwashed that other humans are the "enemy", or that you are "fighting for freedom?" Most likely the other side thinks the same way you do.

['Without Putin, Syria Would Have Ceased to Exist': Interview with Flemish Priest Living in Syria](#)

By [Fr Daniel Maes](#) and [Eric van de Beek](#), June 15, 2017

'It is partly thanks to Hezbollah that so many Christians and other Syrians are still alive. They came to our rescue in our darkest hours. And the same goes for the Syrian army and the Russians. If Putin hadn't come in 2015, Syria certainly would have ceased to exist'

[The Russian US Election Hacking Big Lie Got Bigger](#)

By [Stephen Lendman](#), June 15, 2017

Despite months of allegations, insinuations and accusations, not a shred of evidence suggests any Russian hacking of America's November 2016 election or any other US target.

Claims otherwise are Big Lies. Repeated enough gets most people to believe them.
