[You Will be Shocked by How Much Money Is Being Pulled Out of U.S. Banks, and Now the Biggest Bank in Germany Is in Trouble](#)

By [Michael Snyder](#), March 27, 2023

A trillion dollars is a lot of money. If you stacked a billion dollar bills on top of one another, the pile would be 67.9 miles high, but if you stacked a trillion dollar bills on top of one another the pile would be 67,866 miles high. And if you lined up a trillion dollar bills end to end, the line of dollar bills would be a staggering 96,906,656 miles long. That is longer than the distance from the Earth to the Sun.

By [Dr. William Makis](#), March 28, 2023

On March 18th, 2023, an Air Transat Airbus A321 was flying from Fort-de-France to Montreal when the aircraft's first officer became incapacitated. The incident occurred as the aircraft was flying over the United States, 200NM south of Montreal. ([click here](#))

[Video: The European Union, Part of America's Hegemonic Project](#)

By [Prof Michel Chossudovsky](#) and [James Corbett](#), March 28, 2023

The Washington Consensus in liaison with Wall Street and the Federal Reserve have imposed an IMF style neoliberal agenda (routinely imposed on Third World Countries) on all member states of the European Union. This process has been geared towards destroying the "European Project" as well eliminating the Welfare State.

["It's None of My Business". Political Crimes Could Happen Without Opposition](#)

By [Dr. Rudolf Hänsel](#), March 27, 2023

Watching the Serbian TV evening programme on 24 March 2023, I was at first deeply shocked, although 24 years had already passed since the first war on European soil by the "North Atlantic Terrorist Organisation" (NATO) against the Federal Republic of Yugoslavia (SRJ). A short time later, a question came to me, the answer to which I already knew.

[Russia Deploys Tactical Nuclear Weapons in Belarus: Escalation or Deterrence?](#)

By [Drago Bosnic](#), March 27, 2023

On March 25, Russian President Vladimir Putin announced that Russia will start deploying its tactical nuclear weapons in Belarus. Construction of designated storage facilities for the weapons is planned to be completed by July 1.

[Was Watergate a CIA Scheme to Remove President Nixon from Office?](#)

By [Dr. Paul Craig Roberts](#) and [Tucker Carlson](#), March 27, 2023

Carlson is correct that Nixon was an enemy of the Deep State, but the plot against Nixon originated prior to Nixon's meeting with CIA Director Richard Helms. Nixon was removed because he was normalizing US relations with the Soviet Union and China. This was seen as taking away the needed enemies for the military/security complex's budget and power. This was also the main reason the CIA murdered President Kennedy.

[BRICS Surpasses G7 in PPP-Adjusted Global GDP. Scott Ritter](#)

By [Scott Ritter](#), March 27, 2023

Since the Russian invasion of Ukraine, an ideological divide that has gripped the world, with one side (led by the G7) condemning the invasion and seeking to punish Russia economically, and the other (led by BRICS) taking a more nuanced stance by neither supporting the Russian action nor joining in on the sanctions. This has created an intellectual vacuum when it comes to assessing the true state of play in global economic affairs.

[Pakistan: Is Washington Now Imran Khan's Buddy?](#)

By [Junaid S. Ahmad](#), March 27, 2023

We all know that 95 percent of elite Pakistani politics is mentally challenged fairytales and gossip replete with murmurings that can be cooked up for a good story to sell to the public. The intrigues and power plays of Pakistan's rulers seem to just drag the country further and further to the abyss.

[Deliberately Engineered Confusion: The Hallmark of the Greatest Biopsychosocial Operation in History](#)

By [Dr. Emanuel Garcia](#), March 27, 2023

If you are not confused, you should be, because creating confusion is a hallmark of every successful operation to control the masses, and the perfect biopsychosocial operation will create confusion in spades. It's not a matter of covering tracks to make an investigation into the origins or other parts of an operation impossible – it's a matter of deliberately creating many tracks, tracks that run in various directions and lead to questionable conclusions.
