We are used to quite a lot of warmongering propaganda against Syria. The [“last hospital in Aleppo gets destroyed” – week after week after week](#), reports by Physicians For Human Rights on Syria [turn out to be scams](#), [videos](#) and [pictures](#) of “children rescued” by the U.S./UK payed media group “White Helmets” are [staged](#).

But the yesterday released and very well propagandized [Open Letter of Aleppo Doctors](#) takes the crown of warmongering anti-Syrian fakes:

We are 15 of the last doctors serving the remaining 300,000 citizens of eastern Aleppo. Regime troops have sought to surround and blockade the entire east of the city.

...

Look who signed that open letter:

- 1 Dr. Abu Al Baraa, Pediatrician
- 2 Dr. Abu Tiem, Pediatrician
- 3 Dr. Hamza, Manager
- 4 Dr. Yahya, Pediatrician and head of Nutrition Program
- 5 Dr. Munther, Orthopedics
- 6 Dr. Abu Mohammad, General Surgeon
- 7 Dr. Abu Abdo, General Surgeon
- 8 Dr. Abd Al Rahman, Urologic Resident
- 9 Dr. Abu Tareq, ER Doctor
- 10 Dr. Farida, OBGYN
- 11 Dr Hatem, Hospital Director
- 12 Dr. Usama, Pediatrician
- 13 Dr. Abu Zubeir, Pediatrician
- 14 Dr. Abu Maryam, Pediatric Surgeon
- 15 Dr. Abo Bakr, Neurologist

Stenographing the letter's propaganda the Guardian cleverly [notes](#):

It has not been possible to verify the names of all the doctors listed in the letter.

Maybe because these names are [those](#) of famous Jihadis? But if only the fake names were the problem ...

Notice that there is no general practitioner among those fifteen doctors. This while general practitioners are usually the largest share of medics in any country. Even more

astonishingly, six of the fifteen (no. 1, 2, 4, 12, 13, 14) are identify as “pediatricians”.

Hmm – ain’t those supposed to be dead? All of them? Wasn’t the [last pediatricians in east-Aleppo killed](#) on April 28?

Our “western” and Gulf governments pay a lot of our taxpayer money for such anti-Syrian

warmongering. The “White Helmets” alone [receive \\$60 million](#). We should at least demand better fakes and more plausible lies for such large expenditures of our money.
