Dear Readers,

For a limited time, Global Research is offering you the chance to explore our thought-provoking, incisive books at a special price. This is an ideal opportunity to broaden your understanding of critical themes such as war and globalization, economic collapse, genetic modification of our food sources and intelligence and media disinformation, all analyzed within the best-selling titles available through Global Research.

Perhaps you are looking to get a start on your holiday shopping and need inspiration? This year, why not give gifts that not only delight the recipient, but also help to increase awareness of critical global issues? To help you out, Global Research is offering a *special, limited-time offer*:

BUY 2 BOOKS, GET 1 FREE!*

(Click banner to go to Online Store)

How does it work?

Simply browse the selection of book titles available on the [Global Research Online Store](#) and place your order for any two books or your choice*. Then, send an email to crgorders@yahoo.com with the subject "**FREE BOOK**" and let us know which book you would like us to include with your order, absolutely free. Kindly include your full name and PayPal Transaction ID number in the email once you have made your purchase. Kindly note that this offer expires on November 26, 2010 and is only available in North America to ensure timely delivery.

For example, are you interested in understanding the processes of globalization, unemployment and the global war theatre? Pick up a copy of "[The Globalization of Poverty and the New World Order](#)" by Michel Chossudovsky. Concerned about how your food gets on the table? Order F. William Engdahl's "[Seeds of Destruction: The Hidden Agenda of Genetic Manipulation](#)" and find out the truth behind the giant agro-industries controlling the global food markets. Then, choose ANY book of your choice absolutely FREE! This is an ideal time, for example, to get the latest release from Global Research, "[The Global Economic Crisis:](#)

[The Great Depression of the XXI Century](#)”, with insightful, up-to-date essays by top GR contributors like Andrew Gavin Marshall, Ellen Brown, Michel Chossudovsky and many others. Build your library and share these important volumes with friends and colleagues, just in time for the holidays! Browse all our titles [online](#) and make your selection!
