*LifeSite hosted a townhall conference with The Truth For Health Foundation, “Stop the Shot... The Rest of the Story.” This online meeting will feature Dr. Peter McCullough, Attorney Thomas Renz, Dr. Michael Yeadon, Sister Deidre Byrne, Dr. Elizabeth Lee Vliet, Dr. Jose Trasancos, and other prominent physicians, scientists, attorneys, and religious leaders who will be discussing vital information related to the COVID jab, clinical trials, and more.*

Here’s a brief look at what was shared at this online meeting:

- Breaking information will be shared by the lead attorney in U.S. suit against the Biden regime’s HHS regarding VAERS, adverse events, under-reporting deaths, and injuries. This presentation will also include an update on the CDC Whistleblower affidavit, which indicates more than 45,000 actual deaths have taken place following the COVID shot, versus the VAERS reports of only 11,000.
- Previously undisclosed data from both Pharma-clinical trials and subsequent additional studies on the COVID jab related to specific, serious, immediate, and long-term impacts on fertility in both men and women.
- Updates on international medical studies regarding actual vaccine immunity versus what has been reported to the public by the media.
- Breaking information regarding international lawsuits and theological implications related to the latest COVID news around the world.

In order to have the opportunity to ask questions after the conference, please email [Info@TruthforHealth.org](mailto:Info@TruthforHealth.org) to receive the conference call link. We ask that only serious individuals RSVP as space is limited on the post presentation Q&A conference call.
