

Support Global Research: Keep Independent Reporting and Analysis Online

By [The Global Research Team](#)

Global Research, July 09, 2019

At Global Research, our mandate is to strive for peace through increasing awareness on the broadest possible level while maintaining full independence in our reports and analyses. Our commitment is to make our content available to the broadest possible readership, on a non-commercial basis, without the need for a login or a paid subscription to access our articles.

We, on the other hand, do have to pay in order to provide you with this service. Independent online analysis of US-led wars, rampant corruption, corporate greed, civil rights and fraudulent monetary transactions is an increasing target of online suppression and tacit censorship, our content often relegated to the bottom rung of search engine results.

As a result we presently do not cover our monthly running costs which could eventually jeopardize our activities.

Please help us reverse our deficit by taking out a [recurring membership](#) or making a [donation](#) today.
