*As SF predicted, the Syrian army, Hezbollah and the National Defense Forces (NDF) launched an offensive operation against ISIS in the province of Homs.*

Government forces attacked ISIS terrorists near the Tyas Airbase and retook the Tyas crossroads and the village of Sharifah.

Over 170 ISIS fighters, 15 vehicles and 4 battle tanks belonging to the terrorist group were reported destroyed in the recent clashes and airstrikes near Palmyra.

Now, the Syrian army, Hezbollah and the NDF will likely develop a flanking attack south of the Homs-Palmyra highway and launch a direct push in the direction of Palmyra.
