Predsednik Srbije Boris Tadić ocenio je, tokom razgovora sa poslanikom Albanaca presevske doline Rizom Halimijem, da je u cilju rešavanja problema albanske nacionalne manjine od ključne važnosti da Albanci izaberu svoj nacionalni savet.

“U cilju rešavanja problema albanske nacionalne manjine, posebno u obrazovanju, integraciji, upotrebi službenog jezika i pisma, informisanju i drugim oblastima, od ključne važnosti da Albanci izaberu svoj nacionalni savet”, ocenjeno je u razgovoru, u kojem je pored Tadića i Halimija učestvovao i predsednik Koordinacionog tela za opštine Preševo, Bujanovac i Medveđa, Milan Marković.

Tadić je sa sagovornicima “razgovarao o aktivnostima Koordinacionog tela u pravcu poboljšanja uslova života za sve građane u opštinama Preševo, Bujanovac i Medveđa, bez obzira na njihovu političku ili nacionalnu pripadnost”, saopštila je press služba predsednika Republike.

Predsednik Srbije je naglasio da je potrebno da se zajedničkim radom u lokalnim samoupravama i državnim institucijama nastave procesi započeti posle rekonstrukcije Koordinacionog tela.
