27 September 2010

Dear Readers,

Over the last few months, we have been experiencing a slowdown of our website as well recurrent problems of access.

This is largely due to the fact that we have increased traffic as well as an archive of more than 20,000 articles.

We are currently addressing these technical issues and should be in a position to resolve them within the next two weeks.

Our apologies for the inconvenience.

Thank you for your support,

The Global Research Team
