This one-minute video clip is a recording depicting a ten-year old Gaza girl, crying in desperation not knowing what to do – about the continuous destruction around her – the merciless killing and mass murder committed by the Israeli military, IDF – all directed by the already indicted criminal Israeli PM Benjamin Netanyahu.

The video clip says it all.

And the western world – the European Union, vassal of murderer-supporting USA – is still just watching – silently watching – witnessing Israeli genocide and saying nothing.

"I don't know what to do."

And this is the story of a 14-year-old Palestinian boy – who has successively lost his entire family, two brothers and dad – and now his mom – to Israeli war criminals. He commits suicide in despair:

Fourteen-year-old Palestinian child in Gaza committed suicide!

Hamza threw himself from the 8th floor last night.

Hamza lost his entire family in the recent wars on Gaza.

In 2009, his little brother was killed by an Israeli missile while playing football.

In the 2012, his older brother was killed.

In 2014, his father was killed.

Due to this severe trauma, Hamza became very close to his mother, his last surviving family member, who was killed in an Israeli bombing this week.

Shortly after, he ended his life.
