Evidence amply confirms that NATO is behind the recruitment of "jihadist" terrorists.

The same Western governments which are waging a "war on terrorism" are the unspoken State Sponsors of Terrorism involved directly or indirectly in the financing, recruitment and training of "jihadists".

While NATO leaders in Newport Wales [September 2014] debate the Atlantic Alliance's role "in containing a mounting militant threat in the Middle East", it is worth recalling that in 2011 at the outset of the war in Syria, NATO became actively involved in the recruitment of Islamic fighters.

Reminiscent of the enlistment of the Mujahideen to wage the CIA's jihad (holy war) in the heyday of the Soviet-Afghan war, NATO headquarters in Brussels in liaison with the Turkish High command, according to Israeli intelligence sources, was involved in the enlisting of thousands of terrorists:

"Also discussed in Brussels and Ankara, our sources report, is a campaign to enlist thousands of Muslim volunteers in Middle East countries and the Muslim world to fight alongside the Syrian rebels. The Turkish army would house these volunteers, train them and secure their passage into Syria. ([Debkafile](#), August 31, 2011 emphasis added).

Confirmed by Israeli intelligence News, NATO played a key role in the delivery of weapons to Al Qaeda affiliated rebels in the Aleppo region bordering onto Turkey:

NATO and a number of European governments, most significantly the UK, have started airlifting heavy weapons to the Syrian rebels poised in Aleppo to fend off a major Syrian army offensive, according to debkafile's exclusive military sources. They disclose that the first shipments were landed Monday night, June 17 [2013], and early Tuesday in Turkey and Jordan. They contained anti-air and tank missiles as well as recoilless 120 mm cannons mounted on jeeps. From there, they were transferred to rebel forces in southern Syria and Aleppo in the northwest. ([Debkafile, June 18, 2013](#))

“Terrorists R Us”

Ironically, President Barack Obama and Prime Minister David Cameron (who is hosting the NATO Summit in Wales), have asserted that they “will not be cowed by barbaric killers”:

“We will not waver in our determination to confront the Islamic State ... If terrorists think we will weaken in the face of their threats they could not be more wrong.” (Barack Obama and David Cameron, [Strengthening the NATO alliance](#), op ed published in the London Times, September 4, 2014, emphasis added)

But these “Barbaric Killers” were created by the Western military alliance. They are serving the strategic interests of the U.S., Britain, not to mention Israel.

“They are Our Terrorists”. Without the terrorists, the “Global War on Terrorism” would fall flat.

The Obama-Cameron narrative borders on ridicule. It is not only absurd, it is criminal.

What they are proposing is an all encompassing NATO mandate to “Go after Terrorist Entities” which they themselves created as part of an insidious intelligence operation to

destabilize and destroy both Syria and Iraq.

British and French Special Forces have been actively training Syria opposition rebels from a base in Turkey.

Israel has provided a safe haven to Al Qaeda affiliated rebels including ISIS and Al Nusra rebels in the occupied Golan Heights.

Netanyahu has met up with jihadist leaders in the Golan Heights. The IDF top brass acknowledges that there are “global jihad elements inside Syria” supported by Israel.

Lest we forget, Al Qaeda was at the outset a creation of the CIA. Who is behind the ISIS terrorists? The mainstream media is mum on the subject, despite mountains of evidence that they are creations of the Western military alliance.

NATO's Criminal Agenda

What we

are dealing with is a criminal agenda under NATO auspices. The evidence amply confirms that the US and Britain in liaison with the Atlantic Alliance have relentlessly supported both the creation as well as development of an Islamic Terror Network which now extends from the Middle East and North Africa into sub-Saharan Africa, South and Southeast Asia.

And now Obama and Cameron, whose governments are the architects of the Islamic State, are calling upon the Atlantic Alliance as well all on the governments of the 28 NATO member states to endorse the bombing campaign on Iraq and Syria as part of “counter-terrorism” operation.

The ISIS brigades are “intelligence assets” supported by US-NATO-Israel. They will not be the object of the bombings. Quite the opposite.

What is envisaged as part of the propaganda campaign is to use the “threat of the Islamic State” as a pretext and justification to intervene militarily under a “humanitarian” “Responsibility to Protect” (R2P) mandate. The civilian population will not be protected. Under this diabolical military-intelligence operation, The Islamic State (ISIS) brigades with Western Special Forces within their ranks are slated to be “protected”.

The War on Syria

From the outset of the war on Syria in March 2011, member states of the Atlantic Alliance as well as Israel, Saudi Arabia and Qatar have (covertly) supported the terrorists –including al Nusrah and the ISIS– with a view to destabilizing Syria as a nation state. These actions were implemented in liaison with NATO headquarters in Brussels.

The process of recruitment and training of mercenaries had been sub-contracted to private security companies operating out of the Saudi Arabia and the Gulf States. Reports point to the creation of training camps in Qatar and the United Arab Emirates (UAE).

In Zayed Military City (UAE), “[a secret army is in the making](#)” was operated by Xe Services, formerly Blackwater. The UAE deal to establish a military camp for the training of mercenaries was signed in July 2010, nine months before the onslaught of the wars in Libya and Syria. (See Manlio Dinucci, [A Secret Army of Mercenaries for the Middle East and North Africa](#), Il Manifesto. 18 May 2011)

Moreover, confirmed by CNN, security companies on contract to NATO member states were involved in training Syria “opposition” death squads in the use of chemical weapons:

“The United States and some European allies are using defense contractors to train Syrian rebels on how to secure chemical weapons stockpiles in Syria, a senior U.S. official and several senior diplomats told CNN Sunday. ([CNN Report](#), December 9, 2012)

NATO Supported the Terrorists in Libya

From the outset of NATO’s 2011 “humanitarian war” on Libya, the Atlantic alliance was working in close liaison with the “pro-Al Qaeda brigades” led by “former” Libya Islamic Fighting Group (LIFG) leader Abdul Hakim Belhadj (Debka, Pro-Al Qaeda brigades control Qaddafi Tripoli strongholds seized by rebels, August 28, 2011)

Abdul Hakim Belhadj received his military training in a CIA sponsored guerrilla camp in Afghanistan. He constitutes a CIA "intelligence asset" operating in the Libyan war theater. A 2011 report suggested that he had some 1,000 men under his command. ([Libyan rebels at pains to distance themselves from extremists – The Globe and Mail](#), March 12, 2011)

The US-NATO coalition is arming the Jihadists. Weapons are being channeled to the LIFG from Saudi Arabia, which historically, since the outset of the Soviet-Afghan war, has covertly supported Al Qaeda. The Saudis are now providing the rebels, in liaison with Washington and Brussels, with anti-tank rockets and ground-to-air missiles.
