Bill Clinton and Jean-Claude Duvalier in 2012.

If you vote and you live in the USA, you should try to become educated about the multiple recent and ongoing misdeeds of the Clintons in Haiti.

So far, they've managed to hide their hands cleverly using the puppets (Martelly, Duvalier, Lamothe...) they have imposed upon the people of Haiti.

There is great fear that hundreds of criminals were released from jail, in the past days, in order to provide cover for targeted political assassinations.

Former President Aristide, twice elected by the Black People of Haiti, twice deposed by the CIA and its allies among Haiti's foreign-dominated and foreign-rooted oligarchy, is being harassed.

We have our eyes wide open!

"A young Haitian called me the other day insisting that I help him... understand why former U.S. President, William Jefferson Clinton was smiling and shaking hands with Jean-Claude Duvalier in Titanyen....on January 12, 2012, (picture above) at the very site where mass graves were dug to pack hundreds of bodies of men, women and children who were murdered by Jean-Claude Duvalier and his infamous Tonton Macoutes - over the course of 3 decades of a notoriously brutal dictatorship..." Haitian President Michel Martelly and Jean Claude Duvalier.

"Rubbing shoulders on stage, shaking hands and exchanging pleasantries were Haitian President Michel Martelly, former US President and UN Special Envoy, Bill Clinton, and, Jean Claude Duvalier. To understand the future of Haiti, we have to shift our focus from the "poor Haitians" who dominate Haiti coverage and understand the significance of these three figures to the shaping of US imperial designs on Haiti". "Once again, the international community had behaved in Haiti as if it were in conquered territory. It boldly put into practice, absent any legal, technical or moral basis, a white coup and a blatant electoral intervention...Martelly was declared president-elect after receiving the votes of less than 17 percent of the electorate in the second round." "Clifford Brandt, a close friend of current U.S.-backed Haitian President Michel Joseph Martelly and of his sons, is said to be the #1 ring leader of Gang Galil, a vicious criminal gang that specializes in kidnappings for ransom. The many privileges enjoyed by Clifford Brandt in freedom, in jail or in hiding continue to be a source of great embarrassment for Michel Martelly as well as his foreign supporters in the governments of the U.S., Canada and France". "There is a gratuitous Haiti police/government insinuation that they captured Brandt, a nuanced lie. What's important is that Brandt was recaptured. Does it matter who did it? It should not. Unless it's more about absolving the Haiti police and higher-ups of complicity in the initial breakout?"
