Dear Readers,

We are happy to announce that we have launched The Global Research Newsletter in its new format. This change was required for technical reasons. We apologize for the interruption in our daily send-out and thank you for your patience.

We remind our readers that Global Research does not receive grants from government or private foundations. We take this opportunity to invite Subscribers (who are not yet members) to become GlobalResearch.ca Members or recurring Donors. The GlobalResearch.ca membership fee contributes to financing the Global Research website as well as the various activities of the Centre for Research on Globalization.
