By [The Global Research Team](#)

Global Research, December 07, 2020

Dear readers,

With freedom of speech continually being curtailed, running an independent counter-current news media in 2020 is no easy feat.

We have always operated on a shoestring budget, but the last year has been a financial struggle for us. However, we still have a solid core readership for which we are extremely grateful! We turn to you, our core readers, to ask for your support in keeping Global Research alive and well for now and for future generations.

Please help us match our monthly running costs; donate or become a member by clicking below...
