Have you heard of the book titled The Real Anthony Fauci by Robert F. Kennedy, Jr.?

If not, it wouldn't surprise me. Every major social media outlet banned it.

Bookstores and libraries boycotted it. And the mainstream media fought tooth and nail to make sure you didn't learn about it. And when they couldn't completely censor it, they wrote hit pieces against Robert Kennedy, Jr., himself!

Despite these vicious attacks, Kennedy's book became a bestseller with more than 1,000,000 copies sold in less than a year! In fact, it rocketed to #1 on Amazon and landed on the bestseller lists of the *New York Times*, *Wall Street Journal*, *USA Today*, and *Publisher's Weekly*!

Now Jeff Hays Films has turned this best-selling book into a spellbinding documentary. It's called *The Real Anthony Fauci: The Movie*.

And you can watch it ENTIRELY FREE starting October 18th!

[Click here to watch the film.](#)
