Helen Caldicott, M.D., pediatrician and internationally recognized author and lecturer, hosts a weekly, one-hour radio program titled If You Love This Planet.

Award winning journalist and author Andrew Nikiforuk joins Helen Caldicott to discuss the subject of his new book: The Tar Sands: Dirty Oil and the Future of the Continent, published by D&M Publishers.

For the last two decades, Andrew has written about energy, economics and the West for a variety of Canadian publications, and received seven National Magazine Awards from the Association of Canadian Journalists. The development and exploitation of the tar sands in Canada is currently the world's largest energy project.
