Get Rid Of The “Islamic Label” For The Struggle Of The Palestinians Is Not About Any Religion But For National Liberation From Zionist Anglo-American Oppression & Occupation

Over the years, I have held back my criticisms of the Palestinian Authority in the hope that they would strive to unite the Palestinian people to defeat Zionist Israel.

The last few years have witnessed the complete betrayal of the Palestinian liberation struggle by the so-called President of the Palestinian Authority, Mahmoud Abbas, the Zionist Anglo-American stooge! There were betrayals in the past but none so blatant and shameful as that of recent years, especially by this stooge!

This man is a traitor to the heroic struggle of the entire Palestinian nation. He must be brought to trial before a War Crimes Tribunal together with his criminal masters, Ariel Sharon, Ehud Barack etc. for the wanton slaughter of the people of Gaza and the West Bank.

In the last Palestinian General Elections, the majority of the people in Gaza voted for the Hamas government and booted out the corrupt Fatah-led government. It is not for us to judge the people's choice. They have chosen and the world must respect that choice. This is the will of the people of Gaza.

Since the victory of the Hamas government, the Fatah leadership have collaborated with the Zionist leaders and other Arab leaders to undermine the popular will of the people of Gaza and the Hamas government.

This treachery by the Arab regimes in collusion with Mahmoud Abbas is a reflection of their fear that sooner or later the people in the Middle East will launch armed rebellion against their corrupt rule.
