[The Charter of Rights and Freedoms:](#)

"protects those basic rights and freedoms of all Canadians that are considered essential to preserving Canada as a free and democratic country. It applies to all governments - federal, provincial and territorial."

Justin Trudeau is not only in blatant violation of the Charter of Rights and Freedoms, he is now threatening Canadians who uphold the basic tenets of Canadian democracy.

The [Justice Centre for Constitutional Freedoms](#) in response to Prime Minister Justin Trudeau Covid mandates filed a [lawsuit in Federal Court](#). The main applicant of this important legal procedure is the former Premier of Newfoundland [Brian Peckford, who was a signatory of the 1982 Charter of Rights and Freedoms:](#)

"When I heard Prime Minister Trudeau call the unvaccinated 'racists,' 'misogynists,' 'anti-science' and 'extremist' and his musing 'do we tolerate these people?' it became clear he is sowing divisions and advancing his vendetta against a specific group of Canadians—this is completely against the democratic and Canadian values I love about this country",

These are some of the baseless accusations directed against Canadians by Prime Minister Trudeau (February 2, 2022)

Today in the House, Members of Parliament unanimously condemned the antisemitism, Islamophobia, anti-Black racism, homophobia, and transphobia that we've seen on display in Ottawa over the past number of days. Together, let's keep working to make Canada more inclusive.

According to Brian Peckford, Trudeau's Covid mandates violate Canada's Charter of Rights and Freedoms.

Listen carefully to what Trudeau is saying in this nationwide address.

His political rhetoric is despicable.

He is now threatening Canadians for abiding by the Charter (CRF) which he as Prime Minister of Canada has violated:

"If you joined the protests because you're tired of Covid, you now need to understand that you are breaking laws

You don't want to end up losing your license, end up with a criminal record, which will impact your job, your livelihood....

""Severe consequences", it's "time to go home."

Trudeau accuses the protesters of being "extremists".

There was a specific court injunction in Windsor, Ontario (on behalf of City of Windsor and a manufacturing association), which allowed "police to remove protesters at critical bridge to the US".

But this injunction does not apply to the protest movement in Ottawa and across Canada.
