

Twenty-six Things About the Islamic State (ISIL) that Obama Does Not Want You to Know

By [Global Research News](#)

Global Research, September 03, 2015

The insidious relationship between Washington and the Islamic State (ISIS) is at the centre of current news and analysis.

Is Washington going after the terrorists? If so why are these terrorists receiving money and weapons?

Other important topics covered in today's GR E- Newsletter include the role of Hollywood in justifying US led wars. It's called "perception management", "The Rise of the Inhumans" (Dr. Paul Craig Roberts), the use of "police drones" in the US and Hillary Clinton's "Email Problem".

There is an unspoken, yet very clear, bond between Hollywood and the US government that overtly supports US foreign policy. The movie industry in Hollywood has been active in hiding US war crimes and sanitizing the US military campaigns in...

[America: The Rise Of The Inhumanes](#) By [Dr. Paul Craig Roberts](#), September 03, 2015

America's descent into totalitarian violence is accelerating. Like the Bush regime, the Obama regime has a penchant for rewarding Justice (sic) Department officials who trample all over the US Constitution. Last year America's First Black President nominated David Barron to...

[The Insidious Relationship between Washington and ISIS: The Evidence](#) By [Prof. Tim Anderson](#), September 03, 2015

Reports that US and British aircraft carrying arms to ISIS have been shot down by Iraqi forces have been met with shock and denial in western countries. Few in the Middle East doubt that Washington is playing a 'double game' with its proxy armies in Syria
