A whistleblower from the Organization for Security and Cooperation in Europe (OSCE) which has itself a shady reputation mainly for its biased reporting, always in favor of the western wannabe empire and its vassals, has revealed the discovery of Ukrainian Nazi Groups harvesting children's organs in underground laboratories. These labs were exposed after the buildings were destroyed in the war.

Already in the wake of the February 2014 (U.S Sponsored) Coup d'état, [according to the Huffington Post \(2015 report\)](#):

"... Poor and disabled children, locked away and out of sight from families and their communities, are sitting ducks for traffickers and pedophiles. And nefarious staff are often the beneficiaries of perverse transactions where captive children are the commodity.

The organization, Disability Rights International (DRI), recently released a report — "No Way Home: The Exploitation and Abuse of Children in Ukraine's Orphanages" — following a three year investigation of the plight of children living in institutional care.

DRI found that children are at risk of being trafficked for sex, labor, pornography and organs in a country [Ukraine] that is a known hub for human trafficking.

Some 82,000 children are said to live in these facilities, although no one seems to know for sure. Some Ukrainian activists put the number closer to 200,000.

Inside orphanages, DRI found rampant sexual violence, abuse and rape were commonplace. Children are often recruited directly from orphanages for sex and labor according anti-trafficking organizations in Ukraine."

That was before the onset of the Ukraine War.

The 11-minute video of *The People's Voice* is so brutal and cruel it is difficult to watch and listen to.

The Ukrainian atrocities it describes is just at the limit of what a normal human being can take – and still believe in humanity. Lest, one begins to segregate humans from un-humans. Thoughts and concepts along this line are not new, especially since the beginning of the new era, as you may call what began with the self-inflicted 9/11 mass murder – and related lies, ongoing.

The thought of *un-humans* running the world was just drastically reinforced when Muammar Gaddafi, the then-leader of Libya was lynched on 20 October 2011 in the most vicious ways by NATO forces led by France and the United States, and when the then-President Obama's Secretary of State, Hillary Clinton, celebrated with colleagues and journalists, laughing diabolically, "*We came, we saw, he died.*" The legitimate question, "*Is this woman human?*" was raised by many people and journalists.

Then came the beginning of the UN Agenda 2030 / The Great Reset – the fear-mongering and lies after lies after miserable lies about a virus which, rightfully may be asked, did it ever exist? — locking down people, preventing them from seeing their loved ones, elderly parents, dying relatives.

A lockdown, of which one key purpose was to start warp-speed building of countless, literally millions and millions of 5G antennas around the globe, with the objective of eventually helping kill people and transform the survivors into remote-controlled transhumans, executing the agenda of a sick elite. See [this](#).

The fake plandemic was followed by two intense years of forced and coerced "vaccination", of discriminating vaxxed against unvaxxed around the globe, no escape, with a mRNA concoction that was a trial injection – trial not to find out what works best against the flu-like invented Covid disease, but figure out which one kills best and in what ways.

The objective was and is to this day – not healing, but killing – a movement of massive depopulation of the world. That is where we stand today, with the disclosure of thousands and thousands of Pfizer documents. See [this](#).

The population is flooded with media lies, government lies, scientific lies – all bought and corrupted to serve a diabolical elite agenda, an agenda debatably led by *Un-People*.

When it comes to this western / NATO-provoked Ukraine war, where the Ukrainian Nazi government kills its own people and destroys its own infrastructure just so it can blame Russia for it – see especially the blowing up of the **Nova Kakhovka dam** – the corruption and child trafficking for elite pedophiles, as well as organ and adrenochrome harvesting, by the tens of thousands, come to the fore.

*Just to add another barbarism, the purposeful devastated **Nova Kakhovka dam** is flooding* some 80,000 people, destroying their livelihoods – all evidence indicating it was done by Ukraine but the west blames Russia – all the western mainstream media ape the same lies. See [this](#).

The People's Voice video describes in vivid style how Russian troops discovered carved-up bodies of children as young as 2 years to 6 and 7 years of age. Killed alive for their organs. Their pain-stressed blood was harvested for Adrenochrome – the “live-prolonging” remedy for the elite – traded for millions every year.

Child trafficking for sex and organ harvesting is the fastest growing business in the world, currently said to run in the tens of billions. No precise figures are available, and the all-controlling corrupt media make sure that no such figures enter the light of day, as this is the darkest of all dark businesses.

It is a worldwide business, but the center of it is arguably Ukraine.

The west knows it, while still supporting the also most unethical country in the world. President Biden must know about Ukraine's corruption, as his son made millions in this lawless ambience. The prostitute media mute such news.

Europe is fully aware.

But the European Commission's priority is destroying Russia. Are the people at the head of the EC still humans? The west will, of course, never succeed with the Ukrainian war, no matter how many hundreds of billions-worth of weaponry they supply to the Zelensky government. They also know that 70% of this weaponry goes straight to the black-market. See [this](#).

They also know that Russia is far superior and never intended to dominate Ukraine, just protect the Russian population and their territories.

Yet, Europe follows the insane and inhuman mandate of her Washington masters.

Europe as well as Washington are well-aware of the child-trafficking and organ harvesting, another billions of dollar business. Yet, the support of Ukraine and the repugnant lying to the people around the world continues.

The legitimate question: are these humans or un-humans, those who run the world, those who run the institutions like the WEF, WHO, GAVI, Club of Rome and more? Look at their facial expression, the dark vibrations they emanate – and you keep wondering.

Then watch the video below. Same video as above

Indeed, the power of atrocity is hard to stomach.

And the answer to the question about humans or un-humans becomes obvious.

We, the People, must wake up to an uncomfortable reality, one that cannot be swept under the rug, but must be confronted to save our planet and our civilization from disappearing.
