Ukraine's President, Petro Poroshenko, in an Odessa TV address to the nation, on November 13th, said:

*"We will have our jobs. They will not. We will have our pensions. They will not. We will have care for children, for people, and retirees. They will not. Our children will go to schools and kindergartens. Theirs will hole up in basements [from our bombs]. Because they are not able to do anything. This is exactly how we will win this war! [I.e., we will starve and terrorize them into submission.]"*

U.S. President Barack Obama wants U.S. oil companies to be able to frack in Ukraine, and wants to place nuclear missiles there, against next-door Russia, but the previous Ukrainian ruler wouldn't go along with those goals. So, Obama overthrew him and now wants to get rid also of the people who had voted for him. That's why the successor President, Poroshenko, is bombing these people: to get rid of them.
