August 21 2011. *Latest news from Tripoli from our correspoendent Mahdi Darius Nazemroaya.*

Tripoli has been the object of extensive bombings of residential areas, creating and atmosphere of panic. Meanwhile, rebel forces including al Qaeda death squads have entered into Tripoli and there is fighting in the downtown area.

Rebel forces are not the decisive factor. The decisive force are the extensive NATO bombings and the support provided by NATO to the rebels.

Rebels are few in numbers. Highly trained NATO Special Forces are operating covertly within rebel ranks.
