[Video: The US Has Threatened Several Times to Stage an Attack and Blame It on Iran](#)

By [The Corbett Report](#), June 22, 2019

A plausible scenario for a military collision with Iran involves Iraqi failure to meet the benchmarks followed by accusations of the Iranian responsibility for the failure, then by some provocation in Iraq or a terrorist act in the United States blamed on Iran culminating in a "defensive" US military action against Iran that plunges a lonely America into a spreading and deepening quagmire eventually ranging across Iraq, Iran, Afghanistan and Pakistan.

[Iran Goes for "Maximum Counter-pressure". Is Closing the Strait of Hormuz an Option?](#)

By [Pepe Escobar](#), June 21, 2019

There would be no need to shut down the Strait of Hormuz if Quds Force commander, General Qasem Soleimani, the ultimate Pentagon bête noire, explained in detail, on global

media, that Washington simply does not have the military capacity to keep the Strait open.
