[Yesterday I provided examples](#) of how the establishment, which can only lie, is trying to narrative manage the no longer deniable evidence that the Covid vax is deadly and harmful to health.

One of the narrative management tricks is to admit the adverse effects of the "vaccine" but to sweep them under the rug as "rare."

If the dangers of the "vaccine" were rare, Big Pharma would not have its skills at work trying to discredit or dismantle the vaccine adverse events reporting system.

That the deaths and health injuries are anything but rare is evident from the report by a US Navy medic that Department of Defense data show that US Navy pilots have suffered a:

- 937% increase in heart failure
- 152% increase in cardiomyopathy
- 69% increase in ischemic heart disease
- 36% increase in hypertensive disease
- 36% increase in hypertensive disease
- 63% increase in other forms of heart disease

The corrupt US Department of Defense, a ramp for the excess profits of the armaments industry, tried to blame the events on the Covid virus itself.

However, "according to information published by the US Army, 97% of active-duty U.S.

troops are fully vaccinated, 90% of Army National Guard members are fully vaccinated, and 91% of U.S. Army Reserve members are fully vaccinated.”

So, if the “vaccine” did not cause the deaths and health injuries, and the virus was responsible, obviously the “vaccine” was totally ineffective in protecting against the virus.

In actual fact, according to independent medical scientists, the “vaccine” not only did not protect but caused more deaths and worst health injuries than the virus itself. This is the honest, documented, verified conclusion of medical scientists whose research and results are not financed by Big Pharma and the universities that rely on pharmaceutical industry grants. It is the independent scientists who are motivated by truth instead of profit and career who tell the truth and suffer for it.

As the US Navy medic now suffers. Lt. Ted Macie met with the female Chief of Naval Operations and her aide, and afterward found that he was blocked from access to his computer. Charges are likely pending against him.

So, we see how powerful Big Pharma is. Not even the US Navy is permitted to release unclassified data that show the devastating impact of the Covid “vaccine.” See [this](#).

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless media campaign, was able to create a worldwide panic-laden “plandemic”; that the COVID-19 crisis never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test – which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. —David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom

loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. –Edward Curtin
