If the Western peoples and the corrupt EU, UK, Canadian, Japanese, and Australian political puppets don't wake up ASAP, war will be upon us, a war that cannot be won.

The criminal neoconservatives must immediately be removed from power in Washington before the insane fools start World War 3. The CIA and the Pentagon must be put under tight constraints. And Donald Trump needs a massive trustworthy security guard. The European governments need to immediately disband the NATO alliance. Life on the planet is at stake.

No more provocations from Washington. Period. The insanity must stop. Now.
