### Who's in charge?

I was under the impression that Canada and Australia were sovereign countries.

I guess not.

This video shows the heads of both these states reading the same exact statement – word for word – supporting the invasion of Iraq.

Who wrote this thing?

Who distributed it?

Who compelled these obvious puppets to read it?

The Queen? The CIA? Who runs these people.

Note: Canada's Harper was not yet Prime Minister when he made this speech selling out his country for god knows who – but he is now.
